

**APPLICATION
for
TITLE 17 SUBDIVISION VARIANCE**

Please submit a separate application for each variance requested.

A variance is the official permission by the Platting Board to modify or waive a specific requirement or regulation of the Title. A variance may include, but is not limited to, a necessary change in design, monumentation, or road construction standards. It is the applicant's responsibility to prove that the particular standard requested for variance presents a substantial hardship to the development without endangering the safety and welfare of the public.

Variances will be considered according to the criteria stated in FNSB 17.70, Variances.

Variance is hereby requested from the requirements stated in FNSB 17._____._____.
