Ward announced the rollout of the Capital Improvement Program (CIP) via a short video: <https://youtu.be/doHQW82H6CY>. The Capital Improvement Program (CIP) is designed as a multi-year capital plan for Borough infrastructure to provide a transparent process for project evaluation, prioritization, funding, and construction. Nominations will be accepted from **August 12** through **October 11, 2019**.

For complete information, visit the Capital Improvement Program (CIP) webpage: <http://www.fnsb.us/cip/Pages/default.aspx>. This includes a link to download the nomination form, an infographic on how the CIP works, and an FAQ section.
