

Land Nominations Program

How to participate If you have been eyeing a parcel of Borough-owned land that you would like to see offered for sale to the public, the Land Nominations Program is your chance to help shape the Borough's Land Management Program. Only land nominated will be considered for sale in the future. You can also nominate parcels of land that you think should be retained in Borough ownership for public purposes such as schools, parks, greenbelts, or public safety.

Maps of the Borough owned land available for nomination are available at the Borough Land Management Department office at 809 Pioneer Road.
