

OLD CITY OF FAIRBANKS LANDFILL, LOWER 2ND AVENUE

ACCOMPLISHMENTS AS OF JANUARY 2006

Accomplishments towards the environmental issues associated with the Old City of Fairbanks Landfill include the following:

- A Phase I & Preliminary Phase II Environmental Site Assessment was completed in September 2005 through the EPA's Targeted Brownfields Assessment Program.
- FNSB was awarded an EPA Brownfields Assessment Grant for \$200,000 to complete a Phase II Environmental Site Assessment and develop a Corrective Action Plan. The FNSB Assembly accepted these funds in January 2006.
- The FNSB submitted an EPA Brownfields Cleanup Grant application on December 14, 2005.
 - o If awarded, funds will be appropriated in summer/fall of 2006.
