

Birch Hill Cross Country Ski Center

Fairbanks North Star Borough—Parks and Recreation Department

Welcome to the Birch Hill Ski Center! This newly developed facility, managed by the Parks and Recreation Department, opened to the public in early 2003. Aside from its popularity for public use during the ski season, the facility hosts many large events on a regular basis. After being open only during the ski season, the Cross Country Ski Center is now fully staffed year-round and is available to be reserved for your next large group event. Equipped with a 2,400 square foot multi-purpose room, spacious dressing rooms, and a spectacular view of the area, this facility is perfect for athletic events and competitions, but serves well for business meetings and conferences, wedding receptions, or any other large gathering looking for a new place to meet not far from town. Rental rates start at \$60 per hour (two hour minimum) and \$400 for the entire day. Please contact the Parks & Recreation Office at 459-1070 or Birch Hill Office at 457-4488 for more information.

Summer Season Hours of Operation:
Open by reservation only
Winter Season Hours of Operation:
Monday thru Friday: 12pm—9pm
Saturday: 9am—6pm
Sunday: 11am—6pm
