Under section 3.08.141 the borough will be able to levy or impose only the same amount of taxes for one fiscal year as the borough levied or imposed for the preceding year, except that the borough can increase the amount of taxes levied or imposed (a) to adjust for inflation; (b) to take into account new buildings and land coming onto the tax rolls; (c) make new payments on bonds; (d) pay for services approved by voters; (e) pay for new legal judgments entered against the borough; and to pay for expenses in emergencies. Section 3.08.142 provides a formula and definitions for the limitations of section 3.08.141. Enacting sections 3.08.141 and 3.08.142 will negate sections 3.08.145 and 3.08.146 which are redundant duplicates.
