FNSB PROPOSITION A
Reenacting the Revenue Cap

“Shall Sections 3.08.141 and 3.08.142 of the Fairbanks North Star Borough Code of Ordinances be repealed and reenacted? Passage of this initiative will keep the current tax revenue cap in place and prevent it from being changed or eliminated for two years. Passing this retains the adjustment of the tax revenue cap for new buildings and land. By State law, repeal and reenactment of the tax revenue cap through citizen initiative protects the tax revenue cap from amendment by the Borough Assembly for two years.”
