SUMMARY
FAIRBANKS NORTH STAR BOROUGH FLEXIBLE BENEFITS PLAN

INTRODUCTION

We have amended the "Flexible Benefits Plan" that we previously established for you and other eligible employees. Under this Plan, you will be able to choose among certain benefits that we make available. The benefits that you may choose are outlined in this Summary Plan Description. We will also tell you about other important information concerning the amended Plan, such as the rules you must satisfy before you can join and the laws that protect your rights.

One of the most important features of our Plan is that the benefits being offered are generally ones that you are already paying for, but normally with money that has first been subject to income and Social Security taxes. Under our Plan, these same expenses will be paid for with a portion of your pay before Federal income or Social Security taxes are withheld. This means that you will pay less tax and have more money to spend and save.

Read this Summary Plan Description carefully so that you understand the provisions of our amended Plan and the benefits you will receive. This SPD describes the Plan's benefits and obligations as contained in the legal Plan document, which governs the operation of the Plan. The Plan document is written in much more technical and precise language. If the non-technical language in this SPD and the technical, legal language of the Plan document conflict, the Plan document always governs. If you wish to receive a copy of the legal Plan document, please contact the Administrator.

This SPD describes the current provisions of the Plan which are designed to comply with applicable legal requirements. The Plan is subject to federal laws, such as the Internal Revenue Code and other federal and state laws which may affect your rights. The provisions of the Plan are subject to revision due to a change in laws or due to pronouncements by the Internal Revenue Service (IRS) or other federal agencies. We may also amend or terminate this Plan. If the provisions of the Plan that are described in this SPD change, we will notify you.

We have attempted to answer most of the questions you may have regarding your benefits in the Plan. If this SPD does not answer all of your questions, please contact the Administrator (or other plan representative). The name and address of the Administrator can be found in the Article of this SPD entitled "General Information About the Plan."

I

ELIGIBILITY

1. When can I become a participant in the Plan?

Before you become a Plan member (referred to in this Summary Plan Description as a "Participant"), there are certain rules which you must satisfy. First, you must meet the eligibility requirements and be an active employee. After that, the next step is to actually join the Plan on the "entry date" that we have established for all employees. The "entry date" is defined in Question 3 below. You will also be required to complete certain application forms before you can enroll in the Plan.

2. What are the eligibility requirements for our Plan?

You will be eligible to join the Plan once you have satisfied the conditions for coverage under our group medical plan. Of course, if you were already a participant before this amendment, you will remain a participant.
3. **When is my entry date?**

Once you have met the eligibility requirements, your entry date will be the first day of the month coinciding with or following the date you met the eligibility requirements.

4. **What must I do to enroll in the Plan?**

Before you can join the Plan, you must complete an application to participate in the Plan. The application includes your personal choices for each of the benefits which are being offered under the Plan. You must also authorize us to set some of your earnings aside in order to pay for the benefits you have elected.

## II

### OPERATION

1. **How does this Plan operate?**

   Before the start of each Plan Year, you will be able to elect to have some of your upcoming pay contributed to the Plan. These amounts will be used to pay for the benefits you have chosen. The portion of your pay that is paid to the Plan is not subject to Federal income or Social Security taxes. In other words, this allows you to use tax-free dollars to pay for certain kinds of benefits and expenses which you normally pay for with out-of-pocket, taxable dollars. However, if you receive a reimbursement for an expense under the Plan, you cannot claim a Federal income tax credit or deduction on your return. (See the Article entitled "General Information About Our Plan" for the definition of "Plan Year.")

## III

### CONTRIBUTIONS

1. **How much of my pay may the Employer redirect?**

   Each year, you may elect to have us contribute on your behalf enough of your compensation to pay for the benefits that you elect under the Plan. These amounts will be deducted from your pay over the course of the year.

2. **What happens to contributions made to the Plan?**

   Before each Plan Year begins, you will select the benefits you want and how much of the contributions should go toward each benefit. It is very important that you make these choices carefully based on what you expect to spend on each covered benefit or expense during the Plan Year. Later, they will be used to pay for the expenses as they arise during the Plan Year.

3. **When must I decide which accounts I want to use?**

   You are required by Federal law to decide before the Plan Year begins, during the election period (defined below). You must decide two things. First, which benefits you want and, second, how much should go toward each benefit.
4. **When is the election period for our Plan?**

You will make your initial election on or before your entry date. (You should review Section I on Eligibility to better understand the eligibility requirements and entry date.) Then, for each following Plan Year, the election period is established by the Administrator and applied uniformly to all Participants. It will normally be a period of time prior to the beginning of each Plan Year. The Administrator will inform you each year about the election period. (See the Article entitled "General Information About Our Plan" for the definition of Plan Year.)

5. **May I change my elections during the Plan Year?**

Generally, you cannot change the elections you have made after the beginning of the Plan Year. However, there are certain limited situations when you can change your elections. You are permitted to change elections if you have a "change in status" and you make an election change that is consistent with the change in status. Currently, Federal law considers the following events to be a change in status:

- Marriage, divorce, death of a spouse, legal separation or annulment;

- Change in the number of dependents, including birth, adoption, placement for adoption, or death of a dependent;

- Any of the following events for you, your spouse or dependent: termination or commencement of employment, a strike or lockout, commencement or return from an unpaid leave of absence, a change in worksite, or any other change in employment status that affects eligibility for benefits;

- One of your dependents satisfies or ceases to satisfy the requirements for coverage due to change in age, student status, or any similar circumstance; and

- A change in the place of residence of you, your spouse or dependent that would lead to a change in status, such as moving out of a coverage area for insurance.

In addition, if you are participating in the Day Care Flexible Spending Arrangement, then there is a change in status if your dependent no longer meets the qualifications to be eligible for Day Care.

There are detailed rules on when a change in election is deemed to be consistent with a change in status. In addition, there are laws that give you rights to change health coverage for you, your spouse, or your dependents. If you change coverage due to rights you have under the law, then you can make a corresponding change in your elections under the Plan. If any of these conditions apply to you, you should contact the Administrator.

You may not change your election under the Day Care Flexible Spending Arrangement if the cost change is imposed by a Day Care provider who is your relative.

6. **May I make new elections in future Plan Years?**

Yes, you may. For each new Plan Year, you may change the elections that you previously made. You may also choose not to participate in the Plan for the upcoming Plan Year. If you do not make new elections during the election period before a new Plan Year
begins, we will consider that to mean you have elected not to participate for the upcoming Plan Year.

IV
BENEFITS

1. What benefits are offered under the Plan?

Under our Plan, you can choose to receive your entire compensation or use a portion to pay for the following benefits or expenses during the year.

2. Health Flexible Spending Arrangement

The Health Flexible Spending Arrangement enables you to pay for expenses allowed under Sections 105 and 213(d) of the Internal Revenue Code which are not covered by insurance and save taxes at the same time. The Health Flexible Spending Arrangement allows you to be reimbursed by the Employer for out-of-pocket medical, dental and/or vision expenses incurred by you and your dependents.

Drug costs, including insulin, may be reimbursed. Beginning January 1, 2011, you may be reimbursed for "over the counter" drugs only if those drugs are prescribed for you. You may not, however, be reimbursed for the cost of other health care coverage maintained outside of the Plan, or for long-term care expenses. A list of covered expenses is available from the Administrator.

The most that you can contribute to your Health Flexible Spending Arrangement each Plan Year is $5,000. In order to be reimbursed for a health care expense, you must submit to the Administrator an itemized bill from the service provider. We will also provide you with a debit or credit card to use to pay for medical expenses. The Administrator will provide you with further details. Amounts reimbursed from the Plan may not be claimed as a deduction on your personal income tax return. Reimbursement from the fund shall be paid at least once a month. Expenses under this Plan are treated as being "incurred" when you are provided with the care that gives rise to the expenses, not when you are formally billed or charged, or you pay for the medical care.

You may be reimbursed for expenses for any child until the end of the calendar year in which the child reaches age 26. A child is a natural child, stepchild, foster child, adopted child, or a child placed with you for adoption. If a child gains or regains eligibility due to these new rules, that qualifies as a change in status to change coverage.

Newborns’ and Mothers’ Health Protection Act: Group health plans generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Women’s Health and Cancer Rights Act: This plan, as required by the Women’s Health and Cancer Rights Act of 1998, will reimburse up to plan limits for benefits for mastectomy-related services including reconstruction and surgery to achieve symmetry.
between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema). Contact your Plan Administrator for more information.

3. Day Care Flexible Spending Arrangement

The Day Care Flexible Spending Arrangement enables you to pay for out-of-pocket, work-related dependent day-care cost with pre-tax dollars. If you are married, you can use the account if you and your spouse both work or, in some situations, if your spouse goes to school full-time. Single employees can also use the account.

An eligible dependent is someone for whom you can claim expenses on Federal Income Tax Form 2441 "Credit for Child and Day Care Expenses." Children must be under age 13. Other dependents must be physically or mentally unable to care for themselves. Day Care arrangements which qualify include:

(a) A Dependent (Day) Care Center, provided that if care is provided by the facility for more than six individuals, the facility complies with applicable state and local laws;

(b) An Educational Institution for pre-school children. For older children, only expenses for non-school care are eligible; and

(c) An "Individual" who provides care inside or outside your home: The "Individual" may not be a child of yours under age 19 or anyone you claim as a dependent for Federal tax purposes.

You should make sure that the Day Care expenses you are currently paying for qualify under our Plan.

The law places limits on the amount of money that can be paid to you in a calendar year from your Day Care Flexible Spending Arrangement. Generally, your reimbursements may not exceed the lesser of: (a) $5,000 (if you are married filing a joint return or you are head of a household) or $2,500 (if you are married filing separate returns); (b) your taxable compensation; (c) your spouse's actual or deemed earned income (a spouse who is a full time student or incapable of caring for himself/herself has a monthly earned income of $250 for one dependent or $500 for two or more dependents).

Also, in order to have the reimbursements made to you from this account be excludable from your income, you must provide a statement from the service provider including the name, address, and in most cases, the taxpayer identification number of the service provider on your tax form for the year, as well as the amount of such expense as proof that the expense has been incurred. In addition, Federal tax laws permit a tax credit for certain Day Care expenses you may be paying for even if you are not a Participant in this Plan. You may save more money if you take advantage of this tax credit rather than using the Day Care Flexible Spending Arrangement under our Plan. Ask your tax adviser which is better for you.

V

BENEFIT PAYMENTS

1. When will I receive payments from my accounts?

During the course of the Plan Year, you may submit requests for reimbursement of expenses you have incurred. Expenses are considered "incurred" when the service is performed, not necessarily when it is paid for. The Administrator will provide you with
acceptable forms for submitting these requests for reimbursement. If the request qualifies as a benefit or expense that the Plan has agreed to pay, you will receive a reimbursement payment soon thereafter. Remember, these reimbursements which are made from the Plan are generally not subject to federal income tax or withholding. Nor are they subject to Social Security taxes. You will only be reimbursed from the Day Care Flexible Spending Arrangement to the extent that there are sufficient funds in the Account to cover your request.

2. **What happens if I don’t spend all Plan contributions during the Plan Year?**

   Any monies left at the end of the Plan Year will be forfeited. Obviously, qualifying expenses that you incur late in the Plan Year for which you seek reimbursement after the end of such Plan Year will be paid first before any amount is forfeited. For the Health Flexible Spending Arrangement, you must submit claims no later than 90 days after the end of the Plan Year. For the Day Care Flexible Spending Arrangement, you must submit claims no later than 90 days after the end of the Plan Year. Because it is possible that you might forfeit amounts in the Plan if you do not fully use the contributions that have been made, it is important that you decide how much to place in each account carefully and conservatively. Remember, you must decide which benefits you want to contribute to and how much to place in each account before the Plan Year begins. You want to be as certain as you can that the amount you decide to place in each account will be used up entirely.

3. **Family and Medical Leave Act (FMLA)**

   If you take leave under the Family and Medical Leave Act, you may revoke or change your existing elections for the Health Flexible Spending Arrangement. If your coverage in these benefits terminates, due to your revocation of the benefit while on leave or due to your non-payment of contributions, you will be permitted to reinstate coverage for the remaining part of the Plan Year upon your return. For the Health Flexible Spending Arrangement, you may continue your coverage or you may revoke your coverage and resume it when you return. You can resume your coverage at its original level and make payments for the time that you are on leave. For example, if you elect $1,200 for the year and are out on leave for 3 months, then return and elect to resume your coverage at that level, your remaining payments will be increased to cover the difference - from $100 per month to $150 per month. Alternatively your maximum amount will be reduced proportionately for the time that you were gone. For example, if you elect $1,200 for the year and are out on leave for 3 months, your amount will be reduced to $900. The expenses you incur during the time you are not in the Health Flexible Spending Arrangement are not reimbursable.

   If you continue your coverage during your unpaid leave, you may pre-pay for the coverage, you may pay for your coverage on an after-tax basis while you are on leave, or you and your Employer may arrange a schedule for you to "catch up" your payments when you return.

4. **Uniformed Services Employment and Reemployment Rights Act (USERRA)**

   If you are going into or returning from military service, you may have special rights to health care coverage under your Health Flexible Spending Arrangement under the Uniformed Services Employment and Reemployment Rights Act of 1994. These rights can include extended health care coverage. If you may be affected by this law, ask your Administrator for further details.
5. **What happens if I terminate employment?**

If you terminate employment during the Plan Year, your right to benefits will be determined in the following manner:

(a) You will still be able to request reimbursement for qualifying Day Care expenses for the remainder of the Plan Year from the balance remaining in your Day Care account at the time of termination of employment. However, no further salary redirection contributions will be made on your behalf after you terminate. You must submit claims within 90 days after the end of the Plan Year in which termination occurs.

(b) You may elect to continue your participation in the Health Flexible Spending Arrangement for the remainder of the Plan Year.

(c) If you elect to continue your participation in the Health Flexible Spending Arrangement, you must continue to make any required contributions to the Plan.

(d) If you elect not to continue participation in the Health Flexible Spending Arrangement, participation will cease and no further salary redirection contributions will be contributed on your behalf. You will be able to submit claims for health care expenses. However, you will be able to submit claims for health care expenses that were incurred before the end of the period for which payments to the Health Flexible Spending Arrangement have already been made. You must submit claims within 90 days after the end of the Plan Year in which termination occurs.

6. **Will my Social Security benefits be affected?**

Your Social Security benefits may be slightly reduced because when you receive tax-free benefits under our Plan, it reduces the amount of contributions that you make to the Federal Social Security system as well as our contribution to Social Security on your behalf.

VI

HIGHLY COMPENSATED AND KEY EMPLOYEES

1. **Do limitations apply to highly compensated employees?**

Under the Internal Revenue Code, highly compensated employees and key employees generally are Participants who are officers, shareholders or highly paid. You will be notified by the Administrator each Plan Year whether you are a highly compensated employee or a key employee.

If you are within these categories, the amount of contributions and benefits for you may be limited so that the Plan as a whole does not unfairly favor those who are highly paid, their spouses or their dependents. Federal tax laws state that a plan will be considered to unfairly favor the key employees if they as a group receive more than 25% of all of the nontaxable benefits provided for under our Plan.

Plan experience will dictate whether contribution limitations on highly compensated employees or key employees will apply. You will be notified of these limitations if you are affected.
VII
PLAN ACCOUNTING

1. Periodic Statements

The Administrator will provide you with a statement of your account periodically during
the Plan Year that shows your account balance. It is important to read these statements
carefully so you understand the balance remaining to pay for a benefit. Remember, you want to
spend all the money you have designated for a particular benefit by the end of the Plan Year.

**IX  ADDITIONAL PLAN INFORMATION**

1. **Your Rights Under ERISA**

Plan Participants, eligible employees and all other employees of the Employer may be entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA) and the Internal Revenue Code. These laws provide that Participants, eligible employees and all other employees are entitled to:

(a) examine, without charge, at the Administrator's office, all Plan documents, including insurance contracts, collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor, and available at the Public Disclosure Room of the Employee Benefits Security Administration;

(b) obtain copies of all Plan documents and other Plan information upon written request to the Administrator. The Administrator may charge a reasonable fee for the copies;

(c) continue health coverage for a Participant, Spouse, or other dependents if there is a loss of coverage under the Plan as a result of a qualifying event. Employees or dependents may have to pay for such coverage; and

(d) review this summary plan description and the documents governing the plan on the rules governing COBRA continuation rights.

In addition to creating rights for Plan Participants, ERISA imposes duties upon the people who are responsible for the operation of an employee benefit plan. The people who operate your Plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in the best interest of you and other Plan Participants.
No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a medical child support order, you may file suit in Federal court.

Under ERISA there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within thirty (30) days, you may file suit in a Federal court. In such a case, the court may request the Administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court.

If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees; for example, if it finds your claim is frivolous.

If you have any questions about the Plan, you should contact the Administrator. If you have any questions about this statement, or about your rights under ERISA or the Health Insurance Portability and Accountability Act (HIPAA) or if you need assistance in obtaining documents from the Administrator, you should contact either the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) or visit the EBSA website at www.dol.gov/ebsa/. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

2. Claims Process

You should submit all reimbursement claims during the Plan Year. For the Health Flexible Spending Arrangement, you must submit claims no later than 90 days after the end of the Plan Year. For the Day Care Flexible Spending Arrangement, you must submit claims no later than 90 days after the end of the Plan Year. Any claims submitted after that time will not be considered.

If a Day Care claim under the Plan is denied in whole or in part, you or your beneficiary will receive written notification. The notification will include the reasons for the denial, with reference to the specific provisions of the Plan on which the denial was based, a description of any additional information needed to process the claim and an explanation of the claims review procedure. Within 60 days after denial, you or your beneficiary may submit a written request for reconsideration of the denial to the Administrator.
Any such request should be accompanied by documents or records in support of your appeal. You or your beneficiary may review pertinent documents and submit issues and comments in writing. The Administrator will review the claim and provide, within 60 days, a written response to the appeal. (This period may be extended an additional 60 days under certain circumstances.) In this response, the Administrator will explain the reason for the decision, with specific reference to the provisions of the Plan on which the decision is based. The Administrator has the exclusive right to interpret the appropriate plan provisions. Decisions of the Administrator are conclusive and binding.

In the case of a claim for medical expenses under the Health Flexible Spending Arrangement, the following timetable for claims applies:

<table>
<thead>
<tr>
<th>Event</th>
<th>Time Limit</th>
</tr>
</thead>
<tbody>
<tr>
<td>Notification of whether claim is accepted or denied</td>

</tr>
<tr>

<td>15 days</td>
</tr>
<tr>
<td>Response by Participant</td>
<td>45 days</td>
</tr>
<tr>

<td>60 days</td>
</tr>
</tbody>
</table>

The Plan Administrator will provide written or electronic notification of any claim denial. The notice will state:

(a) The specific reason or reasons for the denial;
(b) Reference to the specific Plan provisions on which the denial was based;
(c) A description of any additional material or information necessary for the claimant to perfect the claim and an explanation of why such material or information is necessary;
(d) A description of the Plan's review procedures and the time limits applicable to such procedures. This will include a statement of your right to bring a civil action under section 502 of ERISA following a denial on review;
(e) A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claim; and
(f) If the denial was based on an internal rule, guideline, protocol, or other similar criterion, the specific rule, guideline, protocol, or criterion will be provided free of charge. If this is not practical, a statement will be included that such a rule, guideline, protocol, or criterion was relied upon in making the denial and a copy will be provided free of charge to the claimant upon request.

When you receive a denial, you will have 180 days following receipt of the notification in which to appeal the decision. You may submit written comments, documents, records, and other
information relating to the claim. If you request, you will be provided, free of charge, reasonable
access to, and copies of, all documents, records, and other information relevant to the claim.

The period of time within which a denial on review is required to be made will begin at
the time an appeal is filed in accordance with the procedures of the Plan. This timing is without
regard to whether all the necessary information accompanies the filing.

A document, record, or other information shall be considered relevant to a claim if it:

(a) was relied upon in making the claim determination;

(b) was submitted, considered, or generated in the course of making the claim
determination, without regard to whether it was relied upon in making the claim
determination;

(c) demonstrated compliance with the administrative processes and safeguards
designed to ensure and to verify that claim determinations are made in accordance with
Plan documents and Plan provisions have been applied consistently with respect to all
claimants; or

(d) constituted a statement of policy or guidance with respect to the Plan concerning
the denied claim.

The review will take into account all comments, documents, records, and other
information submitted by the claimant relating to the claim, without regard to whether such
information was submitted or considered in the initial claim determination. The review will not
afford deference to the initial denial and will be conducted by a fiduciary of the Plan who is
neither the individual who made the adverse determination nor a subordinate of that individual.

3. Qualified Medical Child Support Order

A medical child support order is a judgment, decree or order (including approval of a
property settlement) made under state law that provides for child support or health coverage for
the child of a participant. The child becomes an "alternate recipient" and can receive benefits
under the health plans of the Employer, if the order is determined to be "qualified." You may
obtain, without charge, a copy of the procedures governing the determination of qualified
medical child support orders from the Plan Administrator.

We understand that medical information about you and your health is personal. We are committed to protecting medical information about you. This summary applies to all of the personal health information we maintain with regard to the Plan. Your doctor or health care provider will have different policies or notices regarding the doctor’s use and disclosure of your medical information created in the doctor’s office or clinic. During the course of providing you with coverage under the Plan, the Plan will have access to information about you that is deemed to be “protected health information”, or PHI, by the Health Insurance Portability and Accountability Act of 1996, or HIPAA. The following is a summary of procedures adopted by the Employer to ensure that both Employer and any third party service providers treat your PHI with the level of protection required by HIPAA.

This summary will provide you with a general overview of the ways in which we may use and disclose medical information about you. We also describe your rights and certain obligations we have regarding the use and disclosure of medical information.

We are required by law to:

- make sure that medical information that identifies you is kept private;
- give you this notice of our legal duties and privacy practices with respect to medical information about you; and
- follow the terms of the notice that is currently in effect.

Your PHI will be disclosed to certain employees of Employer who assist in administration of the Plan. These individuals may only use your PHI for Plan administration functions including those described below, provided they do not violate the provisions set forth herein. Any employee of Employer who violates the rules for handling PHI established herein will be subject to adverse disciplinary action. Employer will establish a mechanism for resolving privacy issues and will take prompt corrective action to cure any violations.

By adoption of the SPD, Employer has certified that it will comply with the privacy procedures summarized herein and detailed in any separate privacy notice. Employer may not use or disclose your PHI other than as summarized herein or as required by law. Any agents or subcontractors who are provided your PHI must agree to be bound by the restrictions and conditions concerning your PHI found herein. Your PHI may not be used by Employer for any employment-related actions or decisions or in connection with any other benefit or employee benefit plan of Employer. Employer must report to the Plan any uses or disclosures of your PHI of which the Employer becomes aware that are inconsistent with the provisions set forth herein.

**HOW WE MAY USE AND DISCLOSE MEDICAL INFORMATION ABOUT YOU.**

The following categories describe different ways that we use and disclose medical information for purposes of Plan administration. For each category of uses or disclosures we will explain what we mean and try to give some examples. Not every use or disclosure in a category will be listed. However, all of the ways we are permitted to use and disclose information will fall within one of the categories.
For Payment (as described in applicable regulations). We may use and disclose medical information about you to determine eligibility for Plan benefits, to facilitate payment for the treatment and services you receive from health care providers, to determine benefit responsibility under the Plan, or to coordinate Plan coverage.

For Health Care Operations (as described in applicable regulations). We may use and disclose medical information about you for other Plan operations. These uses and disclosures are necessary to run the Plan.

As Required By Law. We will disclose medical information about you when required to do so by federal, state, or local law.

To Avert a Serious Threat to Health or Safety. We may use and disclose medical information about you when necessary to prevent a serious threat to your health and safety or the health and safety of the public or another person. Any disclosure, however, would only be to someone able to help prevent the threat.

In addition, medical information may be disclosed to Employer personnel solely for purposes of administering benefits under the Plan.

Lawsuits and Disputes. If you are involved in a lawsuit or a dispute, we may disclose medical information about you in response to a court or administrative order. We may also disclose medical information about you in response to a subpoena, discovery request, or other lawful process by someone else involved in the dispute, but only if efforts have been made to tell you about the request or to obtain an order protecting the information requested.

YOUR RIGHTS REGARDING MEDICAL INFORMATION ABOUT YOU.

You have the following rights regarding medical information we maintain about you:

Right to Inspect and Copy. You have the right to inspect and copy medical information that may be used to make decisions about your Plan benefits. To inspect and copy medical information that may be used to make decisions about you, you must submit your request in writing to Personnel/Benefits Office, except as otherwise set forth in any separate Privacy Notice provided to you by Employer. If you request a copy of the information, we may charge a fee for the costs of copying, mailing or other supplies associated with your request.

We may deny your request to inspect and copy in certain very limited circumstances. HIPAA provides several important exceptions to your right to access your PHI. For example, you will not be permitted to access psychotherapy notes or information compiled in anticipation of, or for use in, a civil, criminal, or administrative action or proceeding. Employer will not allow you to access your PHI if these or any of the exceptions permitted under HIPAA apply. If you are denied access to medical information, you may request that the denial be reviewed.

Right to Amend. If you feel that medical information we have about you is incorrect or incomplete, you may ask us to amend the information. You have the right to request an amendment for as long as the information is kept by or for the Plan.

To request an amendment, your request must be made in writing and submitted to your human resources department. In addition, you must provide a reason that supports your request.

We may deny your request for an amendment if it is not in writing or does not include a reason to support the request. In addition, we may deny your request if you ask us to amend information that:

- Is not part of the medical information kept by or for the Plan;
- Was not created by us, unless the person or entity that created the information is no longer available to make the amendment;
- Is not part of the information which you would be permitted to inspect and copy; or
- Is accurate and complete.
Employer must act on your request for an amendment of your PHI no later than 60 days after receipt of your request. Employer may extend the time for making a decision for no more than 30 days, but it must provide you with a written explanation for the delay. If Employer denies your request, it must provide you a written explanation for the denial and an explanation of your right to submit a written statement disagreeing with the denial.

Right to an Accounting of Disclosures. You have the right to request an "accounting of disclosures" (other than disclosures you authorized in writing) where such disclosure was made for any purpose other than treatment, payment, or health care operations. You will be notified of where you can obtain an accounting of disclosure in the separate Privacy Notice. Your request must state a time period that may not be longer than six years and may not include dates before April 2003. Your request should indicate in what form you want the list (for example, on paper or electronically). The first list you request within a 12-month period will be free. For additional lists, we may charge you for the costs of providing the list. We will notify you of the cost involved and you may choose to withdraw or modify your request at that time before any costs are incurred.

Note that HIPAA provides several important exceptions to your right to an accounting of the disclosures of your PHI. For example, Employer does not have to account for disclosures of your PHI (i) to carry out treatment, payment or healthcare operations, (ii) to correctional institutions or law enforcement officials, or (iii) for national security or intelligence purposes. Employer will not include in your accounting any of the disclosures for which there is an exception under HIPAA. Employer must act on your request for an accounting of the disclosures of your PHI no later than 60 days after receipt of the request. Employer may extend the time for providing you an accounting by no more than 30 days, but it must provide you a written explanation for the delay. You may request one accounting in any 12-month period free of charge. Employer will impose a fee for each subsequent request within the 12-month period.

Right to Request Confidential Communications. You have the right to request that we communicate with you about medical matters in a certain way or at a certain location. For example, you can ask that we only contact you at work or by mail.

To request confidential communications, you must make your request in writing to your human resources department. We will not ask you the reason for your request. We will accommodate all requests we deem reasonable. Your request must specify how or where you wish to be contacted.

When Employer no longer needs PHI disclosed to it by the Plan, for the purposes for which the PHI was disclosed, Employer must, if feasible, return or destroy the PHI that is no longer needed. If it is not feasible to return or destroy the PHI, Employer must limit further uses and disclosures of the PHI to those purposes that make the return or destruction of the PHI infeasible.

CHANGES TO THIS SUMMARY AND THE SEPARATE PRIVACY NOTICE

We reserve the right to change this summary and the separate Privacy Notice that may be provided to you. We reserve the right to make the revised or changed notice effective for medical information we already have about you as well as any information we receive in the future. The notice will contain the effective date on the front page.
COMPLAINTS

If you believe your privacy rights have been violated, you may file a complaint with the Plan or with the Secretary of the Department of Health and Human Services. To file a complaint with the Plan, contact your human resources department except as otherwise provided in any separate Privacy Notice. All complaints must be submitted in writing.

You will not be penalized for filing a complaint.

OTHER USES OF MEDICAL INFORMATION.

Other uses and disclosures of medical information not covered by this notice or the laws that apply to us will be made only with your written permission. If you provide us permission to use or disclose medical information about you, you may revoke that permission, in writing, at any time. If you revoke your permission, we will no longer use or disclose medical information about you for the reasons covered by your written authorization. We are unable to take back any disclosures we have already made with your permission and that we are required to retain our records of the care that we provided to you.
