

Affidavit Of No Other Adequate Source Of Heat For A Building Constructed On Or Before December 31, 2016

I _____, the owner or other person with property or managerial
(Printed Name)
interest in a building located at _____,
(Property Address)

request a waiver to permit the use of the solid fuel or waste oil burning appliance(s) located on the property during stage 1 and/or 2 air quality alerts as set forth by FNSB Code 21.28.060.

I understand that the solid fuel burning appliance (SFBA) being used to heat the structure must be EPA certified, unless an application has been made to the enhanced voluntary removal, replacement and repair program (FNSBC 21.28.040) to remove or replace the noncertified SFBA and it has been denied, a pellet fuel burning appliance installed prior to April 1, 2017, a masonry heater, or a cook stove.

(Initial all that apply)

- _____ The building relies on a SFBA or waste oil burning appliance as its sole source of heat.
- _____ The building has no adequate heating source without using a SFBA or waste oil burning appliance.
- _____ Complying with an alert restriction would result in damage to property including damage to the appliance itself and its heating system components.
- _____ An economic hardship requires that the building uses a solid fuel or waste oil burning appliance.

PLEASE NOTE: This affidavit must be notarized (see page 2) in order to be processed by the FNSB Air Quality Division. A notary is available in the Air Quality office for your convenience.

Certification: I understand that by signing below I am requesting a waiver from the Fairbanks North Star Borough (FNSB), and that filing a false affidavit will result in a minimum fine of \$500.00 and denial or cancellation of a waiver. I also understand that this is a waiver only with respect to the restrictions imposed during an alert, that the waiver applies only when the factual circumstances initialed above actually exist and the waiver does not excuse compliance with any other air control measures imposed by Borough code or State law. I also understand that this waiver will expire one year from the date of approval.
