- D. As needed, but not more than annually, the Employer and Union may desire mutually agreed training on collaborative labor-management relations from a source such as the Federal Mediation and Conciliation Services. In such a case, the cost of providing the training shall be split equally between the Employer and Union. Time spent by the Union LMC employees at such training shall also be split equally between a reduction of the Business Leave Bank and administrative leave granted by the Employer.

ARTICLE 8. PRE-NEGOTIATION FINANCIAL INFORMATION

The Employer agrees to furnish, upon timely request, the legally required statistical, budgetary, or payroll information for bargaining unit members necessary to the orderly conduct of collective bargaining.

ARTICLE 9. EMPLOYEE DISCIPLINE

Section 1 - General

- A. The FNSBEA recognizes the Employer's right to adopt and implement reasonable rules and regulations pertinent to safety, standards of conduct, and work rules. All employees shall be subject to such rules and regulations, and violations of such directives shall subject the offending employee to disciplinary sanctions.

- B. The Employer shall not discipline or discharge a regular employee without just cause. When disciplining employees, the Employer shall follow the principles of progressive discipline which include oral counseling, written reprimand, suspension(s) without pay, and discharge as described in Section 3. The Employer is not required to follow the progressive steps of discipline for serious violations of the work rules as generally defined in Section 3 below.

- C. An employee has a right to request union representation during an investigative interview if the employee has reasonable belief that discipline or other adverse consequences may result from what he/she says in the interview. In such an instance, the supervisor has the following options: 1) stop questioning the employee until the union representative arrives; or 2) call off the interview and reschedule; or 3) continue the interview if the employee voluntarily gives up his/her rights to a union representative.
 - 1. In all cases, when a Notification of Intent to Investigate (NOI) is issued, the employee shall be informed of the subject of the interview and their rights to representation in writing prior to commencement of the meeting.

Section 2 - Oral Counseling

Prior to any disciplinary action for minor infractions of the work rules and after a preliminary investigation, if the supervisor determines that an alleged offense may warrant oral counseling, the supervisor shall first schedule a meeting with the employee to discuss the inappropriate behavior or performance problem and attempt to resolve the issue informally. The employee shall be informed that he/she has the right to have an FNSBEA representative present at the meeting. At this meeting the employee and supervisor shall attempt to agree to a plan or objective to improve the worker's conduct or performance which shall, when appropriate, include a plan for additional training. If the parties reach an agreement a copy shall be given to the employee but no record shall be placed in the employee's official personnel file. If the problem is corrected within the specified time and there are no disciplinary actions within one (1) year, the plan shall be expunged from the supervisor's anecdotal records and shall not be used as the basis of any future discipline or other employment decisions.

If the parties are unable to reach agreement or the problem persists despite an agreement, the supervisor may administer disciplinary action as set forth in Sections 3 and 4.

Section 3 - Disciplinary Administration

Disciplinary action will be administered on a case-by-case basis in a consistent and fair manner. The discipline imposed will depend upon intent and mitigating circumstances, including the employee's past record, length of service, existence of past discipline, and the potential detriment to the Employer resulting from the action. Suspension or dismissal may be appropriate for the first offense only for serious rule violations like theft, assault, dishonesty, fighting, intentional falsification of official records, possession or being under the influence of prohibited narcotics during duty

hours, being under the influence of alcohol during duty hours, gross negligence or gross insubordination.

Section 4 - Employee Rights

Prior to a determination being made by the supervisor that an alleged offense may warrant discipline, the supervisor is free to interview any potential witnesses without first notifying the employee or the FNSBEA. This is part of the preliminary investigation to determine if the allegation is accurate and warrants discipline or further investigation.

If discipline is subsequently issued, the APEA/AFT Field Office may request a summary of the witness statements and evidence (names excluded). APEA agrees it shall not use this information to pressure complainants to modify or withdraw their statements.

The Employer bears the initial burden of proof and burden of producing evidence related to the discipline imposed.

A. Written Reprimand, Suspension or Dismissal Procedures

1. After a preliminary investigation and when a supervisor determines that an alleged offense may warrant discipline more severe than oral counseling, a Notice of Intent (NOI) to Investigate and Impose Disciplinary Action (see Intent to Investigate form) is completed, which includes the allegations, and given to the employee at least two (2) business days prior to the meeting. A copy of the NOI shall be given to the Human Resources Director and the APEA/AFT field office.
2. The employee receives the memo and is informed that he/she has the right to have an FNSBEA representative present.

3. The meeting between the employee, FNSBEA representative, and management is the beginning of the actual investigation where questions may be asked of the employee by management.
 4. After the meeting, the FNSBEA shall be given up to three (3) business days to do an investigation if they desire.
 5. Another meeting, at the discretion of FNSBEA, may be set up after the three (3) business day period to give the employee an opportunity to respond to the allegations.
 6. Within ten (10) business days of the meeting set forth in number 5 above, and if it is determined by management that a written reprimand, suspension, or discharge is warranted, the employee shall receive in writing the actual appropriate disciplinary action (see Disciplinary Action Form) outlining the infraction and resulting discipline, with a copy provided to the APEA/AFT field office.
- B. A formal written letter of reprimand shall be removed from any files pertaining to that employee after two (2) years (or a lesser time if mutually agreed to by the parties) of issuance if there have been no further incidents. If the employee terminates employment prior to the expiration of this timeline, the file is closed upon termination, and the documents contained within the file are preserved.

Section 5 - FNSBEA Notification

The Employer agrees to furnish the APEA/AFT field office, either by fax, email, hand (receipt) or by Certified Mail, copies of disciplinary actions (e.g., written reprimands, suspensions, dismissals) concurrently with notification of the employee, but in no

case later than two (2) working days after the implementation of the disciplinary action.

ARTICLE 10. GRIEVANCE PROCEDURE

Section 1 – Definition & Purpose

- A. A "Grievance" as defined in this Agreement is a complaint, controversy, or dispute arising between the parties. The Grievance Procedure outlined herein shall be the sole means of settling grievances.

- B. Complaints or disputes relating to the State of Alaska Public Employees Retirement System (PERS) shall not be subject to resolution by this Grievance Procedure.

- C. Having a desire to promote and maintain labor relations harmony, the parties agree that they will promptly attempt to resolve all complaints or disputes arising between them informally before the issue becomes a formal grievance. The employer and the FNSBEA agree to utilize the following procedure as the sole means to resolve differences between the parties.

- D. No employee shall be disciplined or discriminated against in any way because of the employee's use of the grievance procedure.

Section 2 - Grievance Format

- A. The parties agree that the current grievance form will continue to be utilized but may be altered by the mutual agreement of the parties. It is the intent of the parties that the allegations be made with specificity in order to allow the parties a full opportunity to investigate, discuss the grievance, and resolve it prior to arbitration.

- B. Grievances involving a disciplinary suspension of more than three (3) days must be entered into the formal grievance procedure at the STEP TWO level.

- C. Dismissal Grievances for non-probationary employees and non-retained probationary transfers must be entered at the STEP TWO level. The affected employee will remain in paid status until the remedies under the STEP TWO grievance process (Article 10, Section 3, STEP 2) is complete. This paid status may be a regular work schedule, an alternate assignment, or administrative leave, depending upon the circumstances and at the sole discretion of the Employer. FNSBEA agrees to process the grievance in a timely manner and to provide the Employer with all relevant information and documentation within FNSBEA's possession at the time of the STEP TWO meeting so that the Borough can properly determine whether termination is the appropriate discipline. Upon completion of the STEP TWO grievance process, should the Employer still believe termination is the appropriate action, the termination will become effective the date the STEP TWO decision is rendered. The process for probationary employees non-retention and non-retained probationary transfer grievance processing is defined in Article 17.

- D. Grievances involving or resulting from a decision by the Mayor or Chief of Staff must be entered into the Formal Grievance Procedure at the STEP TWO level.

Section 3 - Procedure

Step One - The APEA or an FNSBEA Representative shall present the grievance in writing to the supervising division manager or Department Director, as may be appropriate, and a copy to the Human Resources Director, within fifteen (15) working days of the effective date of the alleged dispute or controversy or within fifteen (15) working days after the employee should have reasonably known of the action or inaction, whichever is later. The

division manager or Department Director, as may be appropriate, shall respond to the Grievant, the FNSBEA Representative, and the APEA/AFT Field Office in writing within five (5) working days

Step Two - If the grievance is not settled at STEP ONE, if applicable, the grievance must be submitted by APEA/AFT to the Human Resources Director within ten (10) working days of the STEP ONE Employer's response. The grievant, APEA/AFT Field Representative, FNSBEA employee representative, the Human Resources Director, and the appropriate Department Director shall, within five (5) working days of the STEP TWO NOTICE, schedule a meeting, and attempt to resolve the issue. Within five (5) working days of the STEP TWO grievance meeting, the Employer's representative shall mail a written decision to the grievant and the APEA/AFT Field Office. The APEA/AFT may, within fifteen (15) working days of the delivery of said Employer's notice, request that the dispute be submitted to arbitration.

Step Three (ARBITRATION) - Any grievance which involves the application or interpretation of the provisions of this Agreement may be submitted to arbitration.

- A. The parties shall cooperate with each other and shall provide all relevant documents requested by the other unless barred by law from disclosure. The parties shall exchange exhibits /witness lists at least 10 days before the arbitration.
- B. The parties shall cooperate in making all witnesses available for interview prior to the arbitration. Bargaining unit members who are subsequently interviewed by the Employer prior to arbitration will have union representation present during the interview. Requests by the Union to interview management employees will be coordinated through

the Borough Legal Department, and an Employer Representative will be present during the interview.

- C. If additional information becomes available between submission of exhibits/witness lists and the arbitration, that information will be made available to the other party immediately. If both parties agree, following the receipt of the additional information, the Arbitration may be rescheduled to allow the parties to resolve the issue in light of the new information.
- D. Employees who are subject to dismissal are left in paid status during the Step 2 grievance process, giving the Union their opportunity to investigate and provide relevant information that may affect the issuance of discipline. See Article 10, Section 2(C).
- E. The arbiter shall be empowered to mitigate the penalty as equity suggests under the facts but shall have no authority to rule contrary to, to amend, add to, subtract from, or otherwise modify the terms of this Agreement.
- F. Unless otherwise agreed by the parties, the arbiter shall render his opinion within the 30-day time frame recognized by the American Arbitration Association and Federal Mediation and Conciliation Service. The decisions and awards of the arbiters shall be binding upon all parties to this Agreement and enforceable under the provisions of AS 09.43.300-595 (which shall be included by reference in this provision(s)), except that issues of gross legal errors or awards that violate an explicit, well defined and dominant public policy may be appealed as provided by Alaska Court Rules.

Section 4 - Selection of Arbitrator

A panel of arbitrators will be selected and maintained throughout the contract period. The process for identifying the panel and selecting an arbitrator when needed is outlined below:

- A. Upon signing the agreement, the parties shall request the American Arbitration Association or the Federal Mediation and Conciliation Service to provide a listing of fifteen (15) arbitrators. The parties will meet and endeavor to agree upon a panel of nine (9) arbitrators from the list provided to be used for any future arbitration. The process to be used to select the panel of nine (9) arbitrators will be to alternately strike names from the list of fifteen (the order of striking to be determined by the toss of a coin flipped by the APEA/AFT Representative and called by the Employer). If an arbitrator becomes unavailable to serve on the panel, the last arbitrator struck shall be added to the panel. The party who wins the coin toss determines who strikes first.

- B. When the need for an arbitrator arises, the parties shall select an arbitrator from the panel of nine by alternately striking names from the list; the order of striking shall be determined by the toss of a coin flipped by the APEA/AFT Representative and called by the Employer. If the selected arbitrator becomes unavailable to serve, the last arbitrator struck shall be used. The party who wins the coin toss determines who strikes first. The parties may mutually agree to a local hearing officer not on the provided arbitrator list in the interest of time and efficiency.

Section 5 - Payment of Arbitration

Upon selection of an arbitrator, a written fee agreement must be established in advance of final selection, signed by both the Union and the Employer, and accepted

by the arbitrator that outlines specific costs charged by the arbitrator and the timelines required for a decision.

Expenses incident to the services of the arbiter shall be paid by the losing party, or if no losing party can be determined, the expenses shall be apportioned as in the arbiter's judgment is equitable. Expenses must be consistent with the fee agreement completed in advance of the arbitration or as mutually modified.

Section 6 - Arbitration Witnesses

Each party shall bear the expenses incurred in presenting its own case before the arbiter. A grievant shall be allowed to attend the arbitration proceeding without loss of pay. If the grievance is a class action, the Union may designate one of the grievants to represent the class at arbitration without loss of pay. Witnesses within this bargaining unit, who are employed by the Employer, may participate in arbitration without loss of pay for time required to testify at the hearing. Union Officers or Representatives who want to attend the arbitration will be required to take personal leave if FNSBEA Business Leave Bank time or Representative time, is not authorized by the Union.

Section 7 - Time Limits

The time limits prescribed in this section for the initiation and completion of steps of the grievance procedure may be extended by mutual consent of the parties so involved. Likewise, any step in the grievance procedure may be eliminated by mutual consent. Mutual consent shall be indicated in writing and shall be signed by all parties involved.

ARTICLE 11. EDUCATIONAL OPPORTUNITIES AND TRAINING

It is the policy of the Borough to make available to employees educational and/or training opportunities, providing funding is available, in order that services rendered to the public and the FNSB will be more efficient and cost-effective and to ensure a well-qualified and trained workforce.

Section 1 - Educational Opportunities

An employee wishing to enroll in any educational opportunity or training under this program should submit tuition and course-related fees reimbursement requests to his/her Department Director for approval prior to registration. (The mayor's office will have final approval of all training requests.) The Department Director shall evaluate all written requests for education reimbursement costs, tuition, required texts, course-related fees, and travel-related expenses submitted by individual employees, based upon the following criteria:

- A. The course or curriculum outlined in writing by the employee is directly applicable to the employee's work with the Borough and will demonstrably enhance the employee's job performance or promotional opportunities.
- B. The employee is not receiving educational assistance or reimbursement from any other source.
- C. Courses which are only offered locally during regular working hours may be approved by the Department Director provided reasonable arrangements can be made to schedule leave or make up the time off needed to attend the course. It is agreed that attendance at a course shall not be considered time worked unless the Employer approves attendance. It is agreed by the parties that any such arrangements are exempt from the shift differential provisions of this Agreement.

- D. The employee has made timely written application for approval of the course and tuition reimbursement to his/her Department Director.
- E. The employee submits evidence of satisfactory completion of the course, at which time cost reimbursement will be made.

Section 2 - Training

The Employer shall provide in-service training and material to all employees when management deems such additional instruction essential to operational requirements.

Section 3 - Required Training

If any State or Municipal ordinance requires course work to maintain licensing or certification/recertification for an employee to perform his/her required duties (excluding regular driver's licenses), or if the Employee is directed by the Employer to attend a course, the course cost shall be paid by the Employer. The Employer shall further pay for the Employee's time spent attending a class (which shall not include study time, special tutoring, or correspondence courses) under the following circumstances:

- A. When a State law or Municipal ordinance requires an employee to obtain a license or certification for a job which did not previously require a license or certification;
- B. When the course hours fall within the Employee's regularly scheduled shift;
- C. When the course hours fall outside of the Employee's regular shift and the Employer has directed the Employee to attend the course, provided that if

attendance at such course will result in overtime, the Employer may change the Employee's regular shift to avoid overtime. Such shift changes are not subject to any prior minimum notification requirements for shift changes otherwise required by this Agreement.

It is further understood that the Employer's obligation to pay for course costs or time spent attending courses under the terms of this subparagraph is limited to initial attendance of the course. Should the Employee fail the course or not obtain any required license or certification, the Employer is not required to resend the employee to the training or to pay for any subsequent costs to repeat or to attend that course.

If an employee is attending a course outside of the Fairbanks North Star Borough, the following will determine compensable time while in travel status:

Same Day Travel: (Travel that is expected to be completed in the same day). All time spent in travel mode is counted as hours worked and is therefore compensable time and counted for purposes of computing overtime pay.

Overnight Travel: (Travel that includes an overnight stay). All time spent in travel mode up to the Employee's regular scheduled hours for the day of travel, regardless of when the travel occurred is counted as hours worked and is therefore compensable time. However, only travel time occurring within the employee's regularly scheduled hours on his/her regularly scheduled workday is considered eligible for overtime pay if applicable. Every effort will be made to schedule travel based on economy and efficiency. However, employees will not be unreasonably prohibited from traveling during regular work hours.

Employees whose out of state training/education course ends prior to their regular scheduled workday shall be paid for the entire day unless the Employee is taking personal time on their next scheduled workday (extending their travel), in which case they will be required to take leave or accrued comp for remainder of the regular scheduled workday.

ARTICLE 12. SAFETY

Section 1 - General

- A. The Employer's rules concerning safety and equipment standards shall be in accordance with applicable State and Federal directives and prudent job-site operating practices.
- B. No employee will be required or requested to perform work in an unsafe manner or using unsafe equipment.
- C. Any employee who works with hazardous material, as defined by applicable controlling Federal, State and Local law, shall receive training in the proper and safe handling of such materials before being allowed to handle the same. All training shall be in accordance with any applicable controlling Federal, State, or Local law.
- D. Written notice shall be given to all employees, with a copy to the Union, who may have had a known exposure to Blood Borne Pathogen or other medically affected condition, as required by OSHA. However, in the case of imminent danger, a verbal direction/notification shall be given to employees.

Section 2 - Safety Equipment

- A. The Employer shall furnish such appropriate safety equipment as the Employer, consistent with applicable controlling law or regulations, deems necessary to assure the safety of the workforce. Failure to use such safety equipment shall constitute just cause for discipline.

- B. Borough vehicles scheduled for use on public highways shall be furnished with seat restraints, a first-aid kit, and flares. Any intentional or negligent misuse of Employer-provided safety equipment shall be considered a major violation of the work rules.

- C. Any employee required to work with any hazardous material, as defined by applicable controlling law or regulation, shall be furnished appropriate and adequate protective clothing or masks (rubber gloves, air packs, rubber smocks, filter masks, etc.), as may be necessary. Failure to use such protective clothing or masks shall constitute just cause for discipline.

Section 3 - Reporting

- A. All equipment or working areas which are claimed to be unsafe shall be reported to the immediate supervisor or Division Manager in charge of the area, the Occupational Health & Safety Technician and Risk Management who shall take immediate steps to jointly investigate the complaint and institute timely corrective action as necessary to correct the hazard.

- B. It shall not be a violation of this Agreement or grounds for disciplinary action of a bargaining unit employee(s) to refuse to work in proximity with a hazardous condition or defective equipment where an unsafe condition constitutes a life-threatening situation or hazard to health. Such determinations shall be made by officials with recognized expertise in the professional field. Frivolous claims of safety hazards by an employee may be grounds for disciplinary action.

Section 4 – Accident Review Committee

The Motor Vehicle Driving Policy (FNSB80.01) governs the process for handling accident reviews. Any bargaining unit employee scheduled for an Accident Review

Committee meeting shall receive written notice of the meeting and the findings from the meeting, with copies to APEA.

Only damages or possible claims expected to exceed \$750.00, shall be subject to review by the Accident Review Committee.

ARTICLE 13. RETIREMENT

The Borough shall participate in the State of Alaska Public Employees Retirement System (PERS).

PERS benefit, as defined by PERS are as follows:

- Tier IV (entered after 6-30-2006)

ARTICLE 14. WORKERS' COMPENSATION

- A. The Employer shall maintain the statutory required levels of Workers' Compensation coverage. The employer may elect to self-insure this coverage.
- B. The Borough will provide benefits in accordance with state law and regulations.
- C. An employee on workers' compensation leave that is either ineligible for FMLA or has exhausted their FMLA rights, may elect to use six (6) annual leave hours per pay period to maintain their health benefit eligibility.

- D. The Borough shall provide information to new employees at their orientation on the workers' compensation program to include contact information and maintain information on the website for employee access.

ARTICLE 15. POLITICAL ACTIVITIES

Section 1- Political Rights

Bargaining Unit Employee's may:

- A. Be a member or officer of a national, state, or local political party;
- B. Take part in political campaigns during non-work hours or on approved leave;
- C. Express political opinions; however, while engaged on official business, they may not voice private political preference or opinions nor display or distribute partisan political material;
- D. Register party preference;
- E. Serve as a voting or non-voting delegate at a party convention;

- G. Make contributions to a political party or candidate for public office.

Section 2 - General Prohibitions

A bargaining unit employee shall not be compelled to make an assessment, subscription, contribution, or service for a political party.

ARTICLE 16. RECRUITMENT/FILLING OF VACANCIES

Section 1 - Career Opportunities

Pursuant to merit principles and to encourage career opportunities, the parties agree that it is their mutual intent that vacant or newly established bargaining unit FNSB positions be filled by qualified FNSBEA Bargaining Unit members subject to the stipulations of this Article. In furtherance of these objectives, the parties have agreed to the following procedures. These procedures shall apply to all bargaining unit positions.

Section 2 - Employment Criteria

In filling a vacancy, factors to be considered include: prior experience and performance, job-related skills and ability, reliability, education and training, the ability to get along with others, and seniority in a relevant (similar) position. Where relevant to the position to be filled, requisite physical qualifications will be considered.

Section 3 - Posting of Vacancies

A. All vacancy announcements for bargaining unit positions shall be posted on the Borough's website, and shall specify, at the minimum, the date the position opens, the job title, division, reporting relationships, wage, a narrative sampling of representative functions, the contents of the official job description, minimum qualifications, and the date the position closes. An email announcing the

vacancy, including closing date, will be sent to all employees and the APEA/AFT Field Office.

B. All vacancy announcements for bargaining unit positions shall be posted “internal” to all Borough Regular Employees for a minimum of five (5) working days before advertising externally. Qualified bargaining unit members shall receive first consideration in accordance with Section 3D. The Human Resources Department shall maintain a record of the date of such postings, which shall be open for inspection by APEA/AFT Field Representatives.

C. TRAINING POSITION:

1. If there are no qualified applicants, the Employer, at its sole discretion, shall consider whether a training position is possible and if so, the Human Resources Director shall notify the Union and the Employer shall develop a new description, modifying the minimum requirements of a position, and readvertised as a training position.

a. Pay during the first six (6) months of the training period shall be at Step B of the original position’s grade level, or the incumbent’s hourly rate if higher. Pay for the remainder of the training period shall be at one grade below the normal classification grade, or the current B step pay if higher. Employees in a training position are eligible for step movement. The successful applicant must meet the minimum requirements and satisfactorily perform the essential functions of the position within twenty four (24) months; if the requirements are met earlier the employee shall be moved into the regular non-training position at that time.

For the Public Works Equipment Operator Training Position, the time period to meet the minimum requirements and satisfactorily perform the essential functions of the position is forty-eight (48) months.

- b. Performance evaluations shall be completed every six (6) months, or until the employee has demonstrated the ability to work satisfactorily at the higher capacity. Once the employee has demonstrated the ability to work satisfactorily at the higher capacity, he/she will be placed at the position's appropriate grade and step. All time worked in the training position shall count towards the completion of a six (6) month probationary period.

- D. If two or more qualified bargaining unit members apply for the position, and their employment application and resume (if submitted) establishes that they meet the minimum qualifications as listed on the job description for the position, no external advertisements or review of non-bargaining unit member applications shall occur until the bargaining unit members have received a formal interview and/or examination, as may be applicable. Bargaining unit members applying for a position that is being advertised external will receive the same consideration as all external applicants.

- E. If approved by the FNSBEA a concurrent recruitment (internal and external) may be undertaken, however an internal review in accordance with Section 5 of this Article will occur prior to any external applications being considered. Concurrent recruitments are allowed for the following positions: Library Page, Assessing Clerk, Lifeguard I, Animal Tender, PT Equipment Operator, Recreation Specialist I, Recreation Specialist II, and on a case by case basis as requested by the Employer and approved by FNSBEA.

Section 4 - Submission of Internal Applications

- A. A bargaining unit employee who wishes to be considered for a vacant position shall submit an updated employment application and resume (if desired) and any other required documents as specified in the Vacancy Announcement, to the Human Resources Department prior to the stipulated closing date.
- B. All bargaining unit members whose applications establish that they meet the minimum qualifications listed on the job description shall receive an interview.
- C. Bargaining unit members who are not selected for an interview shall be notified verbally and followed up promptly via email, of the specific reasons (minimum qualification(s) they did not meet) explaining why they did not receive an interview. If the bargaining unit member remains dissatisfied after delivery of the explanation, they may appeal the decision and submit additional qualifying information within three (3) working days to the Human Resources Director, who shall promptly review the appeal and any additional information received with the hiring supervisor. The Human Resources Director and hiring supervisor shall determine whether the bargaining unit member shall receive an interview; that decision shall be final.

When interviews are completed, any bargaining unit member who has been unsuccessful shall receive verbal notice of the hiring decision, followed up promptly via email by the Human Resources Department. A bargaining unit member may, within two (2) working days of notification, request in writing the reason for non-selection, and/or a review by the Human Resources Director. The Human Resources Director shall promptly review the selection process and rely upon the application materials submitted by the bargaining unit member prior to the interview, interview notes and other screening devices. No filling of any position shall be final until this review process has been completed. The decision

of the Human Resources Director with respect to the filling of the vacancy shall be final.

- D. Submission of an application for employment constitutes approval by the bargaining unit member for the prospective hiring supervisor to have full access to the worker's personnel file and to contact the employee's current supervisor relative to job credentials.

Section 5 - Selection Procedure

- A. If two or more qualified bargaining unit members apply for a position vacancy, the most suitable applicant shall be selected. For purposes of this Article, the determination of whether a bargaining unit member is qualified for any given vacancy shall be based upon the person's written application, the person's job interview, the results of any examination that may be administered for the position to be filled, references, and a review of the applicant's official personnel file. If, during the probationary period provided for in Article 17 of this Agreement, the bargaining unit employee demonstrates unsatisfactory ability to perform the job, then in accordance with Section 3 of Article 17 of this Agreement the employee shall be returned to his former bargaining unit position without loss of job or benefits.

- B. If only one bargaining unit member qualifies for a position vacancy, the Employee must be interviewed. The Employer may consider other Borough employees who applied for the position and/or advertise the position vacancy to the general public and may select the most qualified applicant to fill the vacancy regardless of whether or not the applicant is a bargaining unit member.

Section 6 - Examinations

The Employer shall maintain an equitable examination process to assist in the assessment of applicant qualifications. If an examination is required as a pre-requisite to qualifying for a Borough position, all applicants, internal and external, shall be required to take such examinations. Any required examination shall be noted in the vacancy announcement.

ARTICLE 17. PROBATIONARY PERIOD

Section 1 - Object

The probationary or working test period is an integral part of the examination process. Its purpose is to provide the Employer an opportunity to measure the Employee's abilities against the job requirements, and to provide the Employee an opportunity to measure the job requirements against his/her personal needs, enabling either to reverse the action without prejudice, or right to arbitration.

Section 2 - Duration Upon Hire

- A. All new full-time, part-time, seasonal, and term employees shall complete a six (6) calendar month period of probation while on work status. For purposes of this section work status shall mean being physically on duty. During the initial probationary period, employees may be terminated at any time if the supervisor, acting in good faith, is actually dissatisfied with the employee's job performance.

- B. The probationary period may be extended up to an additional three (3) months by the Employer when the Employer determines that the Employee's job performance has been sub-standard, but is showing improvement. The Employer shall provide the Employee with a precise and complete detailed (including "goals to be achieved during the next three (3) months") written

explanation of the reasons for the extension of the probationary period. A copy shall be provided to APEA.

- C. If at any time during the probationary period the Employer is considering a non-retention, the reason and areas of needed improvement will be conveyed to the Employee in writing so that the Employee has an opportunity to address the performance deficiencies. A copy shall be provided to APEA.
- D. If the initial notification of performance deficiencies occurs within the last thirty (30) days of the probationary period (either initial or promotional), the Employee shall be given at least two (2) weeks' time to correct the deficiencies before non-retention will occur. Allowing for the timeframe, as specified in this section, may require an extension of the probationary period. A copy shall be provided to APEA.
- E. Notwithstanding the obligation to provide notice of correctible performance concerns, nothing in this Article shall be construed to require advance notice and an opportunity to correct conduct which constitutes a serious rule violation and which would otherwise warrant immediate dismissal.
- F. Upon satisfactory completion of the probationary period, the employee shall attain regular status. Unsatisfactory performance during probationary period means non-retention without the right to arbitration. However, the Union does have the right to file a grievance (at the step two level) on behalf of the individual who is being non-retained. Notice of the non-retention will be given to the APEA Field Office and the FNSBEA President. The grievance must be filed as soon as practicable but no later than five (5) working days of the notice of non-retention. The employee shall be left in paid status for a period not to exceed 10 working days while the STEP TWO grievance is being processed.

Section 3 - Duration Upon Promotion/Transfer

- A. A bargaining unit employee who is promoted or transferred into a bargaining unit position shall be given a reasonable period, not to exceed ninety (90) days, to become acquainted with the job and to demonstrate ability to fill the job satisfactorily. If during this probationary period the employee demonstrates unsatisfactory ability to perform the job, the employee may be given an additional three (3) months extended probation (with precise and complete detailed written explanation [including "goals to be achieved during the next three (3) months"] of the reasons for the extension of the probationary period) or be returned to the employee's former job without loss of seniority. A copy shall be provided to APEA. Employees in a training position serve a six (6) month probationary period. If an employee accepts a position vacated by another employee who has been promoted or transferred to another position, the appointment shall be conditioned upon the successful completion of the probationary periods of both employees.

- B. Current Employees who do not satisfactorily complete their probationary period in a new position will be moved back to their previous position (if available) and have the right to challenge the non-retention through the grievance process at the Step 2 level, but do not have rights to arbitration. If the previous position has been eliminated, the non-retained employee will be screened for any FNSBEA current vacancies that they may qualify for prior to being non-retained.

- C. Employees who promote or transfer out of the bargaining unit have no rights to return to their former bargaining unit position.

Section 4 - Applications During Initial Probationary Period

New employees in their initial probationary status shall not be eligible to apply as an internal applicant for other Borough positions until having successfully completed probation unless mutually agreed to by the Employer and the FNSBEA. Employees in

probationary status who want to apply for another position will make a request to the Human Resources Director who will contact APEA to determine if there is mutual agreement.

This section is waived for placement due to the application of the provisions in Article 18, Section 1 & 2.

ARTICLE 18. LAYOFF AND SEPARATION

Section 1 - Reductions in Force

- A. Layoff means a separation from employment that is implemented because of budgetary limitations, lack of work, abolishment of position, departmental reorganization, or for similar reasons. This term shall be interpreted in accordance with the past practice of the parties, except when modified or changed during bargaining.
- B. Regular or probationary employees shall not be laid off while casual employees are in a position, in the same department for which the regular or probationary employees meet the minimum qualifications.
- C. The Employer shall make every reasonable effort to integrate employees anticipated for layoff into any FNSBEA position that is vacant, or becomes vacant up to the date of layoff, even though this may require a voluntary demotion, promotion, and/or transfer of the employee anticipated for layoff, provided the employee meets the minimum qualifications of the vacant position.
- D. Any FNSBEA members notified of layoff shall have their names placed on a Borough-wide layoff list from the date of notification, and will be eligible for recall, from that point forward, and for 18 months from the termination date, or until

rights are exhausted. Regular employees recalled from the layoff list shall not suffer a loss in seniority, longevity, leave accrual rate or merit pay earned prior to layoff; however, there will be no accrual of seniority, longevity, leave accrual rate or merit pay while on layoff status.

An employee on the layoff list shall have the first right of refusal of any FNSBEA vacancy, which occurs in the position classification from which he/she was laid off (according to seniority if more than one person on the layoff list is eligible). Failure by an individual on the layoff list to accept that offered position will result in that person being removed from the layoff list, except when the position offered is less than the employee's FTE at time of layoff. Declining a position in this circumstance does not affect their layoff/recall rights.

Offers of recall shall be in writing and hand-delivered or sent to the former employee's last known mailing address via registered mail, return receipt requested, or via email if the Employer has made contact with the individual and they are agreeable. The addressee shall have five (5) working days after delivery of the recall notice in which to accept the offered position.

The Employer agrees that the filling of vacancies or new positions will not be manipulated with the intent to abuse the recall provisions.

- E. If a position vacancy occurs for a FNSBEA represented position classification that no one on the layoff list was laid off from, the Employer will screen the applications of personnel on that list. If anyone on the list meets the minimum qualifications of the vacant position, he/she shall be offered the first right of refusal to the position (in order of seniority of those on the layoff list) at the wage rate determined in accordance with Article 30, Section 4 and shall not suffer loss of seniority, longevity, leave accrual rate, or merit pay; however, there will be no accrual of seniority, longevity, leave accrual rate, or merit pay while on lay off

status. Refusal or acceptance shall not result in loss of call back rights. The employee may request removal from this process; such requests shall be documented in writing.

- F. Employees who return to benefit-eligible employment within thirty (30) days of layoff shall not suffer any loss of healthcare benefits.
- G. Employees holding seasonal positions will only be recalled in the position classification title from which he/she was laid off. Further, the seasonal employee shall have year-round internal recruitment rights under Article 16 with the ability to compete for FNSBEA positions. If successful in obtaining an FNSBEA position, Article 17, Section 2 Probationary Period, will apply.
- H. In the event that a seasonal position is abolished due to budgetary limitations, lack of work, departmental or borough-wide reorganization, or similar reasons, the employee will be eligible for bumping as defined in this Article, with the limitation that only other Seasonal positions are available in the bumping pool.

Section 2 - Bumping Rights

Upon notification of layoff, which shall include a reference to this section, an employee shall have two (2) working days to notify the Employer of his intent to exercise bumping rights as set forth below.

A regular full-time or part-time employee who is notified of a pending layoff because of budgetary limitations, lack of work, departmental reorganization or abolishment of position, shall have bumping rights as follows which may result in several options:

- A. An employee notified of layoff may bump a person out of a position if he/she has previously held that position within that department and if he/she has more Borough-wide seniority than the person currently occupying the position. An employee may not bump into a position from which he/she has had an

unsuccessful work improvement plan or disciplinary action for substandard job performance in the prior two (2) years.

- B. An employee notified of a layoff may bump a person out of another position within his/her own department if the employee notified of pending layoff meets the minimum qualifications of the position, and the employee has more Borough-wide seniority than the person currently occupying the position.
- C. An employee notified of a layoff may bump the person last hired with the same position title, even though this would mean going into another department or division if he/she has more Borough-wide seniority. If several people are in the same position title and the last one hired does not have the same FTE as the employee bumping, then they may choose to bump another employee in the same position title most recently hired with the equivalent FTE, provided that the bumping employee has more Borough-wide seniority.
- D. Employees designated as Terms are not eligible for bumping rights.

Section 3 - Separation

- A. The Employer agrees that, with the exception of serious rule violations (those infractions that could result in termination for the 1st offense), all regular Employees who have fulfilled probationary requirements shall be given two (2) weeks' notice of separation, or two (2) weeks' pay, computed at the base hourly rate, in lieu of such notice. The Employee and APEA/AFT Field Office shall be notified in writing, of the reason(s) for the separation within two (2) working days of notice to the Employee of the separation.
- B. The cash value of all accrued unused personal leave shall be cashed out to the employee at separation of employment. Nonexempt employees will be paid the

cash value of all accrued unused compensatory time at separation of employment.

- C. Rehire eligibility shall be noted on the Monthly Personnel Report.

Section 4 - Resignations

- A. To remain in good standing, an Employee who intends to terminate service with the Employer should submit a written resignation to the Employee's immediate supervisor stating the Employee's last date of employment. Resignation notices shall be submitted as early as possible, but at least two (2) weeks before the final work day unless mutually agreed otherwise by the Employer. Notation of failure to give notice will be placed in the Employee's personnel file and may affect rehire eligibility.
- B. Resignations may be rescinded with approval of the Department Director and the Chief of Staff.
- C. A copy of the Employee's resignation shall be filed in the Employee's personnel record.
- D. At the Employer's option, the resignation may be accepted upon receipt and the Employee may be relieved by the Employer of all duties immediately. In such circumstances, the Employee shall receive full pay and benefits for the notice period, not to exceed three (3) weeks.
- E. For retiring employees in good standing, a longer notice period is encouraged and will not result in an immediate relief of duties.

ARTICLE 19. POSITION CLASSIFICATION SYSTEM

Section 1 - Classification Plan

The Employer agrees to establish and maintain a formal system of job classifications and written pay plan. This pay plan shall include the principle of equal pay for equal work, and the positions shall be classified on the basis of actual job duties, assigned responsibility, and minimum qualifications. All bargaining unit positions shall be subject to this system.

Section 2 - Job Description

A job description is an inventory document of specific job duties, minimum qualifications, and responsibilities. This document may include approximate time to be spent at each task and position control number. The job description will include the wage grade salary, and it will be used as the primary recruiting notice.

If any minimum qualifications of a job are changed, or if the duties or responsibilities are materially changed, management will ensure that a new job description is prepared. All new job descriptions shall be reviewed, revised, and upgraded or downgraded as appropriate, in accordance with the classification system. The Employer shall provide necessary training to employees as needed due to automation or technological advances in equipment.

Section 3 - Request for Review of Position

When an employee, or the FNSBEA acting on behalf of an employee, feels that the duties and responsibilities of his/her position are not accurately reflected in the job description, the Employee will complete a Position Description Questionnaire (PDQ) and submit it to the Human Resources Director for distribution to the Department Director for review and comment. When completed by the Director, the PDQ shall be

returned to Human Resources for review and audit. A copy shall be provided to the FNSBEA. The Employee will be provided the opportunity to review and provide written comments on the draft job description before it is presented to the Job Evaluation Review Committee. Any Employee written comments shall be provided to the Job Evaluation Review Committee in the PDQ information packet.

For the purposes of determining appropriate grade placement, a committee consisting of the Human Resources Director and one other management representative and two FNSBEA representatives, shall review the revised job description and PDQ and make a grade placement recommendation to the Human Resources Director. The Human Resources Director will render a written report of his/her decision within forty-five (45) calendar days after receipt of the director's comments. Any retroactive pay due to an employee shall be paid 30 days from the date the PDQ was submitted by the employee or union to the Human Resources Department. If a mutually agreeable resolution is not achieved, any further appeal shall be submitted to arbitration as set forth in Article 10, Grievance Procedure.

ARTICLE 20. ACTING ASSIGNMENTS

A. A Supervisor may designate in writing a bargaining unit member to assume a majority (more than ½) of the regular duties, functions, and responsibilities in a higher job classification, which would normally be performed during the "acting" period. The "acting" employee will be furnished with a description of the responsibilities and authority to be assumed for the acting period. Compensation for acting assignments are as follows:

1. Acting assignments where a non-exempt employee acts for another APEA bargaining unit member (in a higher job classification) for a period of at least five (5) consecutive working days in length, the employee shall receive a pay adjustment for the entire acting period, equal to the employee's step on the

appropriate grade of the acting assignment, or 15% of the employee's current base pay, whichever is higher. This pay adjustment is in addition to any merit, longevity, cola, etc., currently being paid the employee.

2. Acting assignments resulting in the employee acting for an exempt supervisory employee for a period of at least two (2) consecutive working days in length, the employee shall receive a pay adjustment for the entire acting period, of 15% of the employee's current base pay. This pay adjustment is in addition to any merit, longevity, cola, etc., currently being paid the employee.

B. It is understood by the parties that an employee is not entitled to higher classification pay merely by assuming a portion of the duties of the higher classification; conversely, it is not required that each and every duty of the higher classification must be assumed before the employee is entitled to higher classification pay. As is indicated above, the employee must assume a majority of such duties.

C. Employees may decline acting assignments.

D. All time spent in a designated acting capacity shall count towards work experience requirements in promotional job openings, including time spent less than three consecutive working days. It is the employee's responsibility to maintain documentation if they intend to use acting work experience to qualify for promotional opportunities. Only acting assignments resulting in additional pay shall be maintained in the employee's personnel file.

ARTICLE 21. PERFORMANCE EVALUATIONS

Section 1 - Purpose

- A. An established evaluation process is an effective means of communication between employees and their supervisors and provides a vehicle for improvement of performance which will in turn improve service to the public.
- B. Performance evaluation results shall be used for Employee development. This includes identifying and documenting training needs, performance areas in which improvement may or must be made and areas of potential growth and promotion. The evaluations further serve as a means for planning ways in which Employee growth can be encouraged and assisted. The Union shall have the opportunity to review and provide input to any future changes to the performance evaluation form.
- C. Performance evaluation results may be used as a guide to personnel actions, including, but not limited to, step movement, promotion, transfer, retention after the probationary period, demotion, and termination.
- D. Eligibility for step movement is dependent upon satisfactory job performance. Employees will advance to the next higher step on the salary schedule on July 1st of each year, provided satisfactory performance as noted in a written performance evaluation, due on or before June 1st of each year. If the employee received “does not meet expectations” performance rating in any category, they shall not be eligible for a step increase. Specific examples are required in the performance evaluation if any category denotes “does not meet expectations.” If an employee is expected to not meet performance expectations, the supervisor will meet with the Employee and provide them with at least two (2) weeks’ time to correct the

deficiencies. If a supervisor fails to complete the required performance evaluation timely, the employee shall be eligible for step movement if applicable.

Section 2 - Probationary Evaluation

Bargaining Unit members in a probationary status as per Article 17, shall receive formal performance evaluations at least fifteen (15) calendar days prior to the mid-point of their probationary period; and again fifteen (15) calendar days prior to the expiration of their probationary period. A delay in completion of the final probationary performance evaluation shall not extend the probationary period, and in such cases, regular status shall be attained at the close of business on the last probationary day.

Section 3 - Annual Performance Evaluation

- A. Employees will receive, at a minimum, a performance evaluation from their immediate supervisor (not short term acting supervisor) on an annual basis to be completed by June 1st of each year.
- B. When an annual evaluation is not timely completed, it is assumed the Employee is meeting performance expectations.
- C. The Borough may complete, or an employee may request, a performance evaluation at any time. The evaluation process shall be in accordance with the following procedures:
 - 1. The supervisor (reviewer) completes a draft of the performance evaluation and forwards it to their director for review and comment prior to the reviewer meeting with the employee. Specific examples are required in the performance evaluation for any category rated as “does not meet expectations.”

2. The supervisor meets with the evaluated employee to discuss the content and provide feedback on the draft evaluation, including goals for the coming appraisal period.
 3. The supervisor finalizes the evaluation and sends it to their supervisor for review, comment and signature.
 4. The supervisor presents the final evaluation to the employee who must sign his/her evaluation to acknowledge receipt thereof at time of delivery. Employees may submit comments on the evaluation within five (5) calendar days of receipt of the electronic evaluation. Such comments shall be emailed to Human Resources for incorporation with the performance evaluation. Human Resources shall distribute a copy to the supervisor.
 5. No further comments or changes may be made on the form by management after it has been submitted to the employee for final signature.
- D. If an Employee's Supervisor is changed between scheduled evaluations, an evaluation report may be prepared by the outgoing Supervisor. Supervisors can evaluate only that performance which took place under their supervision. However, if the immediate supervisor is no longer available, the director shall complete the required evaluation.
- E. If any changes occur in the job description due to automation, or technological advances in equipment, any Employee affected shall be adequately trained to operate or effectuate the automation or advances before being evaluated on these advances in equipment.

- F. The original of all evaluations shall be filed in the Employee's official personnel files maintained in the Human Resources Department. This does not preclude the Department from retaining a copy of the evaluation in the departmental files.

- G. Upon an Employee's separation from Borough service, that Employee may receive a final performance evaluation as contained on the Exit Interview Form, and the rehire eligibility section shall be completed prior to departure. A copy of this Exit Evaluation, if completed, and Exit Interview Form shall be placed in the Employee's personnel file and a copy shall be provided to the Employee.

Section 4 - Confidentiality

Completed performance evaluations shall be treated as strictly confidential to the extent allowable by law, and the original copy shall be retained in the Employee's personnel file in the Human Resources Department. If a copy (hard copy or electronic) is retained in the department, it shall be secured in such a manner that it will remain confidential.

ARTICLE 22. HEALTH BENEFITS

Section 1 - Health Coverage

- A. The Employer agrees to provide health, dental, audio, and vision coverage for each regular employee, employee's legal spouse, and employee's eligible dependent children in accordance with the schedule of benefits and other provisions of the Borough Self-Insured Health Benefits Plan, the Coalition Health Center Program, or successor plans.

- B. During the annual open enrollment process, employees have the ability to decline health coverage under the Borough's health plan for themselves or any dependents. The employee is required to attest that he/she has other health coverage. Changes at other times of the year, outside the open enrollment process are limited to eligible IRS qualifying status change events.
- C. The level of benefits afforded by this plan has been fully negotiated between the parties. (INCLUDING THE FOLLOWING HEALTH PLAN CHANGES)
1. Any change required by law. (Effective 7/1/21)
 2. Exclude specialty medications from the Out of Pocket (OOP) maximum and implement a separate specialty OOP maximum of \$2,000 per individual. (Effective 1/1/22)
 3. Implement Caremark's Compound Management Program. (Effective 1/1/22)
 4. Implement the Caremark Retail 90 option to allow participants to obtain a 90-day supply of non-specialty medication at retail pharmacies. (Effective 1/1/22)
 5. Require use of CVS Specialty Pharmacy for specialty medications, and implement the Specialty Copay Card Program. (Effective 1/1/22)
 6. Vision - Increase frame allowance from \$90 to \$120. (Effective 1/1/22)

No further changes in the level of benefits afforded under the Health Plan may be made except by mutual consent, or as required in Section 2F.

The Labor Management Committee on Employee Benefits and the FNSBEA negotiating team will be afforded a minimum of thirty (30) days to review any updates to the health plan booklet prior to printing.

It is recognized that for health plan cost effectiveness the Borough must have only one health plan for its entire workforce. Therefore, a reopener of this article, to evaluate other bargaining unit considerations, is included as part of this agreement.

- D. Coverage shall commence on the first day of the month after the employee has been employed in a benefit-eligible position for thirty (30) days. Coverage may be subject to pre-existing condition limitations, as allowable by law. Coverage ceases the last day of the month in which employment termination occurs. If an employee is laid off and returns to benefit-eligible service within thirty (30) days the employee will not suffer any loss of healthcare benefits.

- E. Each employee covered under the health plan shall pay employee contributions for such coverage in the biweekly amount of:

FY22	Employee Only	\$125.00	Employee + Family	\$155.00	(Effective 7/1/21)
FY23	Employee Only	\$135.00	Employee + Family	\$170.00	(Effective 7/1/22)
FY24	Employee Only	\$140.00	Employee + Family	\$180.00	(Effective 7/1/23)

These annual increases in deductions for FY23 and FY24 will not be applied if the health estimate calculation for the next fiscal year is 7.0% less than the prior year health estimate, using prior fiscal year employee deduction rates in the calculation. In such a circumstance, the existing deductions will remain.

Employees selecting the Dental/Vision/Audio benefit shall pay an additional employee biweekly contribution of:

FY22	\$10.00 per pay period.	(Effective 7/1/21)
FY23	\$12.00 per pay period.	(Effective 7/1/22)
FY24	\$15.00 per pay period.	(Effective 7/1/23)

Pages will pay 4% of base wages.

These deductions shall be on a pre-tax basis, unless otherwise requested, and taken in full amounts on the first pay date of the month in which health care coverage begins. These funds will be used to offset the budgeted amount for health care in the fiscal year they are deducted.

- F. Spousal Health Coverage Opt-Out/Reduced Benefit Plan Election – An additional charge will be applied to employees whose spouse declined available health coverage by their own employer or who took a reduced benefit plan (such as the 20% plan offered by the State of Alaska) therefore shifting primary cost coverage to the Borough's plan. The biweekly surcharge for the spousal opt-out is \$250.00 per pay period. (Effective 7/1/21)

Employees will be required annually to affirmatively disclose via a questionnaire if their spouse has health coverage or if the spouse declined health coverage. Employees are required to notify the Employer should a spouse's coverage change occur within thirty (30) days of said change. There are financial penalties for incorrect disclosure, as addressed in the health plan document.

Section 2 - Labor Management Committee on Employee Benefits (LMCEB)

- A. The parties agree that there exists a good faith obligation on the part of both the Employer and the Union to work together during the term of the collective bargaining agreement to reduce health care costs.
- B. In order to meet this obligation and duty to bargain, the Parties agree that the Labor-Management Committee on Employee Benefits shall continue to meet and consult on a regular basis.

- C. The Labor-Management Committee on Employee Benefits shall be composed of ten (10) representatives, three (3) appointed by FNSBEA, one (1) appointed by Local 942, one (1) appointed by ASEA and five (5) appointed by the Borough Mayor. The Labor-Management Committee on Employee Benefits shall select a chairperson from its membership annually. A quorum for the meetings shall require no fewer than five (5) committee members. The Borough and APEA will be responsible for paying for training for these added seats.

- D. The Labor-Management Committee on Employee Benefits shall be empowered to recommend health care benefit changes during the term of the collective bargaining agreement including, but not limited to issues regarding eligibility, plan design and benefit schedules, deductibles, co-payment provisions, preferred provider programs, utilization review and other options designed to contain costs, and enhance benefit options.

Prior to bargaining exchange of proposals for the next contract negotiations, the LMCEB will convene to review the Health Plan Consultant's proposed health plan modifications/other considerations and make recommendations to the Bargaining Teams.

- E. In the event the per employee per month health care cost projection increases, as estimated by the health consultant, by 5% (after accounting for the employee deductions as specified in Section 1.E. of this article) or more from the previous fiscal year, or the balance of the HCCRF (Health Care Contingency Reserve Fund) declines below 50% of the current target amount as defined in Section 4.C of this article, then the parties will meet and confer to assess what, if any, action(s) might be appropriate to ensure containment of health care costs.

- F. It is the intent of this Agreement that all parties are dedicated to work collectively in order to contain the costs of health benefits and to consider and pursue reasonable health care program changes if the events described in Section 2E above occur. The parties agree that it is the responsibility of both parties to mutually work together to solve the problems arising from these events.

- G. In the interest of promoting harmonious working relationships between the Parties, one cent (\$.01) per hour per regular employee shall be set aside in a fund to be used for education and other such activities that will further communication, cooperation, and teamwork between management and FNSBEA, and to provide training to the Labor Management Committee on Employee Benefits.

Section 3 - Health Wellness Program

Wellness efforts shall be funded as part of the health plan costs at an annual rate not to exceed \$75,000. The Labor Management Committee on Employee Benefits shall oversee wellness focused activities.

Section 4 - Health Care Contingency Reserve Fund HCCRF

- A. The parties have mutually established a fund to be known as the Health Care Contingency Reserve Fund (HCCRF). The purpose of the fund is to smooth out health care costs over time. Health care costs are composed of claims paid, the cost of administering the health care plan by the third-party administrator or its successor(s), aggregate and specific stop-loss premiums, utilization review fees, case management costs, disease management, independent medical examinations, health program audit rewards, Coalition Health Center Program costs, COBRA premium receipts net of costs for COBRA participants, refunds, employee contributions, consultant fees, the consultant's estimate of the reserve

for IBNR (incurred but not reported) claims, life insurance premiums, wellness activities, and any added costs resulting from changes in the administration of the health and life insurance program agreed to by the parties during the term of the collective bargaining agreement. All reserve funds (including co-mingled employee and Employer funds) shall be held solely for the funding of future health care costs as specifically outlined herein.

- B. The Health Care Contingency Reserve Fund shall continue in existence on an indefinite basis. Expenses directly associated with the administration of the Health Care Contingency Reserve Fund shall be borne by the Employer.
- C. The HCCRF shall be maintained with sufficient balance to offset unexpected spikes in health care costs in any given year without depleting the fund. The target level for the HCCRF in any fiscal year shall be one third (33 1/3 percent) of health care costs budgeted for that fiscal year.
- D. Funding Uses and Sources: The HCCRF shall be used to offset health care costs that exceed the budgeted costs in any fiscal year. Budgeted costs are those costs budgeted each year and are the Employer's best estimate of expected costs based on good faith projections compiled by the Employer's independent consultant. Budgeting shall be based upon a five (5) year rolling average of covered employees.

The HCCRF fund shall also be used to offset increased budgeted costs of \$85 per employee per month, for each year of the contract, provided that the balance of the HCCRF is at least 75% of the established target for the prior fiscal year.

- E. The HCCRF shall be funded by a combination of employer and employee contributions. Employees electing health coverage or Dental/Vision/Audio will contribute ten dollars (\$10.00) per pay period to the Reserve Fund (26 pay

periods per year). Employer contributions will consist of a match of the total amount of the employee contribution stated above and any budgetary lapse for that fiscal year, up to the target level. Budget lapse is amount budgeted that is unspent at close of fiscal year. If the fund balance is over the target amount, and the consultant projected an increase in costs from the prior fiscal year, the employer contribution is waived for that fiscal year.

- F. The Labor Management Committee on Employee Benefits, The Labor Management Committee, and the FNSBEA Negotiation Team will be provided with the consultant health care estimates, the target amount, the staff benefit rate calculation, and the year-end accounting for the HCCRF.
- G. The Health Care Contingency Reserve Fund shall be established as a premium only plan to allow employee contributions to the Reserve Fund to be made on a pre-tax basis.

Section 5 - Life Insurance

The Employer agrees to pay the total cost of Life Insurance for each regular employee in an amount equal to the lesser of their base annual earnings (exclusive of bonuses, overtime, and other premium/exception pay) or \$250,000. To determine benefits, the amount of insurance is rounded to the next higher \$1,000 multiple, unless the amount equals a multiple of \$1,000.

Section 6 - Flexible Spending Accounts

Pursuant to and in accordance with applicable Federal laws and regulations, the Employer agrees to maintain voluntary accounts for employees to contribute money on a pre-tax basis to pay for unreimbursed medical expenses and dependent care at no cost to the Employee. Maximum contributions shall be the maximum allowable by law annually for both dependent care and medical.

Section 7 - Resolution of Disputes

- A. Assertions by the Union that the Employer/Plan Administrator has modified the expressed “benefit schedule” as set forth in the Borough Plan or successor agreement may be submitted to a third-party review through the grievance/arbitration procedure of the Agreement. This section does not apply to ex gratia benefit schedule exceptions rendered by the Employer. However, third-party arbitrator authority does not include the power to add to, subtract from, or otherwise modify the expressed provisions of the Borough Plan or successor agreement.
- B. Covered employee/dependent claims for Employer paid health benefit coverage is provided on the basis of “medical necessity” within the context of the Borough Plan or successor agreement. Individual claimant disputes challenging “medical necessity” determinations shall only be resolved by the employee submitting a petition in accordance with procedures set forth in the Plan document.

3. The third Monday in February, known as President’s Day.
4. The last Monday in March, known as Seward’s Day.
5. The last Monday in May, known as Memorial Day.
6. The Fourth of July, known as Independence Day.
7. The first Monday in September, known as Labor Day.

10. The fourth Thursday and Friday in November, known as Thanksgiving Days.
11. The 24th of December, known as Christmas Eve.
12. The 25th of December, known as Christmas Day.

Section 2 - Observance of Holidays

A. If any one of the recognized holidays falls on a Sunday, the following Monday shall be observed as the Borough holiday; if any of the recognized holidays falls on a Saturday, the preceding Friday shall be the day observed as the Borough holiday. Employees who are scheduled to work on a holiday weekend where the facility is closed will observe the holiday on the recognized holiday, as set forth in Section 1 above.

B. For full-time employees whose regularly scheduled day off falls on an observed holiday, either the scheduled workday immediately preceding or the scheduled workday immediately following are to be observed as that employee's holiday.

Holiday leave will be counted as time worked for the purpose of computing overtime pay.

C. For purposes of computing holiday pay, the average number of hours worked each week during the last 28 days (prior four full weeks), working backwards from the Sunday prior to the week in which the holiday occurs, shall be deemed to be the "regularly scheduled work week". Employees who observe the holiday shall receive their current hourly wage rate for one-fifth (1/5) of the total number of hours in their regularly scheduled work week.

Probationary employees are eligible to use leave accrued within the pay period the holiday falls to qualify for holiday pay, if applicable.

- D. The maximum holiday pay/benefit is 8 hours. Employees working a four day, ten hour workweek or other modified schedule exceeding 8 hours in a day, will be required to take leave or LWOP at their option for the additional hours, or make up the time in the same workweek on their scheduled day off, with supervisor's advance approval. If an employee elects to take LWOP for temporary program closures, inclement weather events, or to cover holiday hours for a modified schedule exceeding 8 hours in a day, they will be considered in pay status and, therefore, eligible for the holiday.

- E. Part time employees not scheduled to work on the observed holiday, will not be scheduled for another day off, but shall receive pay in accordance with Section 2C, of this Article.

Section 3 - Working on Holidays

Regular employees who are required to work on an observed holiday shall be paid at one and one half (1-1/2) times their hourly rate of pay for all hours actually worked, in addition to authorized holiday pay. Employees who are entitled to shift differentials shall receive such payments for those hours worked on the holiday.

Section 4 – Leave on Holidays

Holidays which occur during an employee's approved leave shall not be charged to such leave.

ARTICLE 24. LEAVE

Regular employees with three (3) years, but less than five (5) years continuous service shall be granted 2-1/4 working days per month with pay at the following rate per hour per pay period (.10385). Regular employees with five (5) years but less than seven (7) years continuous service shall be granted 2-3/4 working days per month leave with pay at the following rate per hour per pay period (.12692). Regular employees with seven (7) years or more continuous service shall be granted three (3) working days per month with pay at the following rate per hour per pay period (.13846).

New regular, non-exempt employees shall be eligible to take leave after their first ninety (90) days of employment; exempt employees can use accrued leave immediately. Leave shall accrue from the beginning of employment. Leave may be used for any purpose.

Employees are expected to maintain a twenty four (24) hour balance (based on FTE), for emergency/unanticipated use. Planned leave may not be approved if the Employee is below this balance. The Director has the ability to waive this provision if circumstances warrant.

Leave cannot be used in the pay period in which it is accrued, except as allowed in the holiday provision noted in Article 23, Section 2.C. In cases of emergency

or extenuating circumstances, an Employee may request from the Chief of Staff, approval to use his/her accrued personal leave within the first ninety (90) days of employment, or within the same pay period in which it is accrued.

An employee's personal leave shall not be unreasonably denied and mutually agreeable arrangements shall be made. The employee's supervisor will act on the employee's request for leave within seven (7) working days of receipt of the request. If no response is made by the Supervisor within the seven (7) working day period, the employee will notify the supervisor and the supervisor's supervisor for immediate response. Personal leave shall be considered as time worked except as provided for in Article 29, Section 5.D. The Employee shall suffer no loss of time in service while on leave.

Human Resources will not monitor electronic timekeeping records as a means to search for disciplinary infractions. However, these records shall be used when an inquiry is received.

2. Leave in excess of the five hundred twenty (520) hours maximum at the end of a calendar year shall be cashed out and paid to the employee during the month of January.

C. Cash in.

Upon written request, and limited to three (3) times per calendar year, an employee may request a leave cash-in of the cash value of their accrued personal leave. Cash-ins due to the 520 balance rule do not count towards the three per year limit. The personal leave cash-in rate will be based on the

employee's regular position's rate of pay. The personal leave cash-in rate shall not include acting pay or lead pay unless the acting or lead pay has been paid for more than six (6) consecutive months. Accrued personal leave may be cashed in, provided a minimum of hours equal to three (3) weeks (pro-rated to FTE) is maintained in the employee's accrued personal leave balance. Exceptions due to unusual or unforeseen circumstances may be made by the Chief of Staff who may authorize a cash-in of the total accrued personal leave, waive the maximum numbers of hours available for cash-in and/or increase the number of personal leave cash-ins permitted.

Details of the Sick Leave Bank and its operation are available from the Human Resources Director and from the APEA/AFT Field Office.

All Leave of Absence requests in excess of eighty (80) hours in a calendar year must be approved by the Department Director and the Chief of Staff. Employees must use available leave prior to using LWOP except that employees may elect to retain up to ten (10) days of personal leave in their leave account to use upon their return. Employees on a leave of absence are not eligible for holiday pay and do not accrue personal leave during such absences for any time leave without pay is used. An employee on leave without pay shall suffer no loss of time in Borough service. A leave of absence without pay shall be considered justifiable for the following reasons:

1. Education leave;
2. Extended compassionate leave;
3. Emergency leave; and
4. Any other approved leave of absence.

B. Leave Without Pay.

Employees are authorized to take leave without pay in the event of a temporary program cancellation where alternate work is not made available, or during an inclement weather event. Employees on leave without pay do not accrue personal leave during such absences for any time leave without pay is used.

When an employee has the need for leave, but has no accrued leave available, an employee may request leave without pay approval from their supervisor.

Supervisors are authorized to approve leave without pay for periods not to exceed two (2) weeks in a calendar year.

Any employee owing payroll deductions due to a leave without pay situation will be required to pay those payroll deductions the 1st full pay period after returning to active duty, unless arrangements were made to either pre-pay or make payments while in non-paid status. Pay cannot be reduced below minimum wage, and therefore may require more than one pay period to recover payroll deductions.

The FNSBEA may cash-in leave from this bank, at the President's discretion. Withdrawals from the bank shall be made only on request by the FNSBEA to the Human Resources Department on forms mutually agreed by the parties. Payments shall be made via direct deposit. All hours of

personal leave transferred to the bank are final and not recoverable for re-credit to an individual's personal leave account. An Employee on FNSBEA Leave shall be in "pay status" and shall suffer no loss of pay, benefits, or accrued leave. Except for unusual and extenuating circumstances, and in the case of an individual employee representative time in excess of 104 hours per calendar year or 600 hours total for all representatives, all requests for FNSBEA Leave shall be submitted to the Human Resource Director at least two (2) weeks before such leave is requested to be taken. The net effect is the Borough will compensate the employee for the difference between the employee's military pay received and the employee's Borough wages. Failure to comply will result in cessation of pay during the absence.

The Employer may change an employee's weekend schedule to accommodate the employee's "scheduled drill weekend." The employee shall be given five (5) days' notice if such shift changes occur.

Employees who are absent from employment by reason of service in the uniformed services shall be entitled to employment benefits and reemployment rights and benefits in accordance with federal law. Fees paid to an Employee for court duty or other related fees, except mileage and per diem, received by the Employee in connection with an absence granted under this section will be promptly returned to the Borough's Finance Department. - A. Employees who are required to work before 6:00 a.m. or after 6:00 p.m. shall be paid a shift differential for those hours worked before 6:00 a.m. and after 6:00 p.m. in the amount of one dollar (\$1.00) per hour worked, and Employees who work on Saturday or Sunday shall receive a shift differential of one dollar (\$1.00) per hour worked.

In the circumstance where an employee has taken a partial day of leave, and the leave time plus time worked exceeds 8 hours, the leave time taken will be reduced to avoid overtime. Time spent in travel mode, up to the normal scheduled workday, is considered actual work time and included in the overtime calculation.

E. Flex Time: For flexibility purposes and only when the arrangement is agreed upon by the employee and manager, a flexible work schedule is allowable during a workweek, provided that any hours over 10 in a workday or 40 in a workweek is paid at the overtime rate of pay. This change will allow an employee to work 7 hours one day and 9 in the next, without requiring the use of accrued leave or payment of overtime. The employee and supervisor's signature on the official timesheet constitutes approval of a flex-time agreement.

F. Compensatory Time: Upon written consent of both an Employee's supervisor and the Employee, and subject to any applicable Federal and State laws, an Employee may receive compensatory time off in lieu of overtime pay. Compensatory time will be offered to employees in lieu of overtime provided it will not adversely affect the operational needs of the department.

Overtime eligible (Nonexempt) employees may receive compensatory time off in lieu of overtime, up to a maximum of one hundred (100) hours worked per calendar year, resulting in a maximum accrual of one hundred fifty (150) hours per calendar year. An overtime eligible employee may accumulate, and have credited to his/her account, no more than one hundred fifty (150) hours of unused compensatory time regardless of when such compensatory time was earned. For overtime eligible employees, compensatory time shall accrue at the same rate as the overtime it is replacing (1:1.5).

Compensatory time is considered hours worked for overtime calculation. An employee may carry a maximum of 150 hours of comp time over from year to year. If an employee has 150 hours of comp time accrued, and they are authorized to work overtime, they must take overtime pay rather than comp time, regardless of whether they have met their 100 hours of comp time per year maximum.

2. Non overtime eligible (FLSA exempt) employees shall accrue comp time on an hour for hour basis (1:1), with a maximum balance at any time of 200 hours. Compensatory time utilization shall be treated, and is subject to, the same approval procedures as Personal Leave, except that any accrued but not used comp time will be forfeited at termination.
3. Nonexempt and Exempt Employees may use accrued compensatory time while in probationary status with Supervisor's prior approval.
4. Employees with less than eight (8) hours of compensatory time accrual will be required to use compensatory time before using personal leave.

Section 6 - Recall Pay

- A. Recall pay is granted for unscheduled or unanticipated callbacks to the work place. Employees who have left their normal place of work and are called back for overtime work shall be paid the applicable overtime rate of pay for all hours worked in excess of eight (8) hours in that day; provided that they shall receive a minimum guarantee of four (4) hours at the applicable straight-time rate of pay for each recall. Employees who have been recalled and are subsequently recalled within 2.5 hours are not eligible for a second recall pay. All overtime hours worked after the employee's normal scheduled workday shall be considered an extension of the shift and not subject to recall pay, provided the employee has not left work.
- B. If an employee is scheduled or given advance notice prior to the end of their current shift that they will need to return prior to his/her next regularly scheduled shift, they are not eligible for recall pay.

- C. Shift differential, if applicable, is payable for actual hours worked during a recall, unless comp time is taken in lieu of recall pay.
- D. Employees that are contacted during non-work hours (via phone, text messaging or other method) for an authorized work-related purpose and are not required to return to the workplace will be paid for all time worked, but are guaranteed a minimum of thirty (30) minutes for each call. If further contact occurs within the thirty (30) minute period, no further recall is paid.

Section 7 - Stand-by or On Call Pay

Employees assigned to standby or on call duty by their employing department supervisor shall receive standby or on call pay in an amount equal to four (4) straight-time hours for each twenty-four (24) hour period of assigned standby or on call.

Section 8 - Meeting Times

- A. Employees who are directed by the appropriate authority to attend meetings or hearings as an extension of their normally scheduled workday shall be paid in accordance with Section 5 above, as appropriate. Employees who have left their normal place of work and who are required to return for meetings shall be guaranteed a minimum of two (2) hours of pay at their straight-time rate.
- B. Regular Employees required to work evening meetings may have their regular schedule adjusted so that they can attend the meetings without the necessity of overtime. Advance notice shall be given whenever possible. If an employee leaves the workplace and returns later for the meeting, it will be considered a split shift and time spent commuting away from and back to the workplace is considered a normal commute and is not compensable. In such a case, all time spent attending the meeting is compensable. If an employee returns to the workplace and then reports to a different location for the meeting, all time after

the initial report to the workplace is compensable time. If the employee does not return to the workplace, but instead leaves for home directly after the meeting, compensable time ends at the conclusion of the meeting.

Section 9 - Minimum Scheduled Shift

An employee may not be scheduled for a shift of less than two (2) hours in duration, unless mutually agreed to by the employee and supervisor.

ARTICLE 30. CLASSIFICATION AND WAGE RATES

Section 1 - Bargaining Unit Wage Rates

- A. For the Fiscal Year beginning July 1, 2021, employees will not receive a (COLA) cost of living increase.,
- B. For the Fiscal Year beginning July 1, 2022, employees will receive a (COLA) cost of living increase, added to the base salary table based on the U.S. Department of Labor CPI - Urban for Alaska for calendar (Jan-Dec) year 2021 (Annual average), by a minimum of 0.5% to a maximum of 3.0%.

Section 2 - New Classification

Should the Employer establish new classifications or revise an existing classification during the term of this Agreement, the classification committee created in Article 19, Section 3 will meet to review and make a grade placement recommendation to the Human Resources Director. Failing to reach an agreement, the dispute shall be submitted to an arbiter in accordance with the grievance arbitration procedure of this Agreement.

Section 3 - Salary Schedules Incorporated in this Contract

This Contract recognizes and adopts three distinct Salary Schedules as follows:

- FNSBEA Salary Schedule
- FNSBEA Page Salary Schedule
- FNSBEA Exempt Professional Salary

The FNSBEA Salary Schedule and the FNSBEA Page Salary Schedule consist of 20 steps (A-T), Steps B, C, and D are 3% steps, and steps E-T are 1.5% steps. The FNSBEA Exempt Professional Salary Schedule consists of 20 steps (A-T) of 1.9%.

Section 4 - Advancement on Salary Schedule for Employees on the FNSBEA Salary Schedule, and the FNSBEA Page Salary Schedule

- A. Employees initially hired into a bargaining unit position will be placed at the Entry Level Step "A" on the FNSBEA Salary Schedule or FNSBEA Page Salary

Schedule as determined by the classification system. Eligibility for step movement is dependent upon a satisfactory job performance. Employees will advance to the next higher step on the salary schedule on July 1st of each year (except the first year of the agreement, if not completed and signed by July 1st, the step increase will be applied the first day of the next pay period after signing – no retroactive adjustments will be processed), provided satisfactory performance as noted in a written performance evaluation, due on or before June 1st of each year. If the employee received “does not meet expectations” performance rating in any category, they shall not be eligible for a step increase. Specific examples are required in the performance evaluation if any category denotes “does not meet expectations.” If an employee is expected to not meet performance expectations, the supervisor should discuss with the employee and follow up in writing, copying the Human Resources Director, and providing them with at least two (2) weeks’ time to correct the deficiencies. If a supervisor fails to complete the required performance evaluation timely, the employee shall be eligible for step movement. Employees reaching the last step in the appropriate grade will not be eligible for additional step movement. Employees not eligible for further step movement will be considered for a merit-based adjustment per Article 27 and the Merit Pay Policy (FNSB 65.19).

- B. Merit pay impacting the wage rate will be retained by the employee, regardless of position held, provided they do not move to a different salary table.
- C. A bargaining unit employee maintains their longevity throughout their career regardless of change in bargaining unit position.

Pay Processing for Promotions

Employees who are promoted will move into their new classification pay grade and longevity step on the FNSBEA Salary Schedule or FNSBEA Page Salary Schedule at

the same longevity step as they held in their previous position. (In other words, moving straight down the schedule to the appropriate pay grade for the new position.)

Pay Processing for Demotions

Employees who experience a demotion from a higher grade to a lower grade will be placed at their current longevity step in the new classification pay grade on the FNSBEA Salary Schedule or FNSBEA Page Salary Schedule for the position they are demoted to. (In other words, moving straight up the schedule to the appropriate pay grade and longevity step for the new position).

Pay Processing for Lateral Transfers

Employees who experience a lateral transfer from one position to another in the same classification pay grade and longevity step will remain at the same salary grade and longevity step on the FNSBEA Salary Schedule or FNSBEA Page Salary Schedule. No reduction in base pay rate will occur with a lateral transfer.

Section 5 - Advancement on Salary Schedule for employees on the FNSBEA Exempt Professional Salary Schedule

An employee whose position is included on the FNSBEA Exempt Professional Salary Schedule may be initially placed at any point on the schedule as negotiated between the employee and the Borough Administration at the time of initial hire.

1st, the step increase will be applied the first day of the next pay period after signing – no retroactive adjustments will be processed) provided satisfactory performance as noted in a written performance evaluation. If the employee received “does not meet expectations” performance rating in any category, they shall not be eligible for a step increase. Specific examples are required in the performance evaluation if any category denoted as “does not meet expectations” If an employee is expected to not meet performance expectations, the supervisor should notify the employee in advance so that the employee can take corrective action. If a supervisor fails to timely complete the required performance evaluation timely, the employee shall be eligible for the merit step. Employees reaching the last longevity step on the salary table will not be eligible for additional step movement. Employees not eligible for further step movement will be considered for a merit based adjustment per Article 27 and the Merit Pay Policy (FNSB 65.19).

- B. If the assessment or review shows that there is a cost-savings to subcontracting, the Borough must first give the union the ability to address these costs in order to retain the service.
- C. Wherever possible, where subcontracting affects employees currently receiving standby or on-call pay, the union shall be notified and allowed to provide input and alternatives in advance of the Employer's decision to subcontract.

ARTICLE 32. EFFECT OF THIS AGREEMENT

- A. Prior to enacting any changes in the Personnel Ordinance the Employer shall allow FNSBEA a reasonable time to make a statement of its view and suggestions concerning the desirability of the proposed changes.

- B. If there is any conflict between the terms of this Agreement and any personnel memoranda, rules or ordinances the terms of this Agreement shall supersede those memoranda or rules in their application to the bargaining unit. Any conflict needs to be challenged through the grievance procedure.

The provision or retention of legal assistance under this Article is the sole and exclusive responsibility of the

FNSBEA and/or the member. Furthermore, it is understood that no FNSBEA officer, contractor, agent, or assigned representative shall authorize, encourage, or assist in any way such strike or prohibited concerted activities. FNSBEA agrees to make every effort to see that Bargaining Unit Employees understand and follow this contract provision.
